Candidate Bio

Hello, West 86th Community. I am interested in serving on the HOA Board. I relocated to Indianapolis for a leadership role and found a home here in West 86th.

My husband, Craig, and I enjoy home remodeling, gardening, and attending Fever basketball games. We've been working on updating our home and yard, navigating some challenges along the way, including COVID-19 and pipeline work. Our oldest daughter is an engineer at Major Tool & Machine, and our younger daughter recently graduated from Purdue with a degree in Chemistry and is currently seeking employment. I have over 20 years of experience practicing law and currently lead a team of intellectual property lawyers at Beckman Coulter Life Sciences. Additionally, I served on two non-profit boards for nine years, where my legal background proved valuable.

I believe in the importance of growing the value of our neighborhood while continuing to be fiscally responsible. I appreciate listening to others' viewpoints and think collaboration is key to addressing community challenges. I look forward to the opportunity to contribute to our HOA Board.
