Candidate Bio

My husband and I have lived in this neighborhood since 1996. This community has always been a wonderful community of people with many backgrounds and cultures. We love our neighbors, and it is wonderful to see new families move in.

After graduating from IU (go Hoosiers!!!), I spent the first 9 years of my career working as an auditor for Ernst & Young and the State of Indiana. I then took a break for several years to be a full-time mom. Once our kids were in school, I went back to work as the Business Manager at St. Christopher Church and School. I recently retired from that position. You will often see me walking or playing pickleball in the neighborhood.

I have been serving on the Board for the past year as your Development Director. I have enjoyed meeting several members of our community and working with the other Board members to continue to make our community a jewel on the northwest side of Indianapolis. I am very proud to be on the Board with a great group of people that works tirelessly for our Community.
