Candidate Bio

Why I'm Running:

I'm running for the West 86th Board of Directors because our neighborhood deserves leadership that listens, collaborates, and cares deeply about people. West 86th has always been known for its charm and strong sense of connection—but many neighbors have shared that our shine has faded a bit. With fresh energy, transparency, and a renewed focus on community, I know we can restore it together. We're not just maintaining the neighborhood—we're shaping what it becomes next. From small improvements that preserve home value to creating meaningful connections among neighbors, I want to help make West 86th a place we're all proud to call home.

I'm a long-time West 86th resident and community advocate, proud to contribute to the leadership and service that make our neighborhood special. Many neighbors know me for:

- Door-to-door safety and security initiatives
- Organizing the Juneteenth Summer Solstice Celebration, fostering unity and pride
- Helping defeat the Cornerstone project, protecting our community's value & Quality of Life.

As the founder of a woman-owned marketing agency supporting community change-makers across the country, I bring:

- Business Procurement & Project Management Expertise
- Strategic communication and transparency skills

If elected, I'll bring 21st-century solutions to foster inclusivity, connection, and accountability by:

- Refining outdated Board processes and establishing a Code of Conduct aligned with Indiana HOA law
- Strengthening financial transparency and resident engagement

I ask for your support in electing me to the Board. My passion for people and community drives everything I do. Together, we can strengthen connections and keep West 86th thriving for years to come.

With Gratitude,

Jill Wieser
