The Art of Manhood is a mentoring organization that mentors young men to become successful productive men for their future. The Art of Manhood Organization has six focus areas: Integrity, Education/Vocation, Financial Literacy, Entrepreneurship, Leadership and Gentleman Etiquette. In addition to the six focus areas, it is our desire to have the youth involved in community service and recreational activities that support sportsmanship and team building. In addition, The Art of Manhood organization that all mentors are fingerprinted and have a background before becoming a mentor.

The Art of Manhood Organization is partnered with several community organizations and businesses that provide leadership opportunities to support educational and historical field trips, leadership summits, tutoring services, scholarship opportunities and citizenship incentives, awards for participants who successful complete the mentorship program. All scheduled trips will not be overnight; however, we ensure that each trip has agenda that can be completed within a day's time. There will be times when we will participate in fundraising activities to raise money for scheduled field trips.

The Art of Manhood will offer empowerment session where guest speakers will be invited to enlighten our future leaders of the six focus areas that our organization is built upon: Integrity, Education/Vocation, Financial Literacy, Entrepreneurship, Leadership and Gentleman etiquette.

When it comes to gentleman etiquette it is our goal to teach the young men how to treat a lady and respect a young lady feeling and boundaries.
