The After Prom Committee is partnering with local restaurants this Spring within our CORE towns of the AMSA Community to fundraise for the AMSA After Prom/All-Nighter!

After Prom Events such as ours have been around for 40 years because tragically Springtime is a dangerous time for teens. Events like these **SAVE LIVES** with your help we can continue to provide a substance free gathering for our students.

AMSA After Prom/All-Nighter is open to our Junior & Senior students - this is a community event and all members of the community are asked to get involved!
