

## **Captain's Meeting 1/6/25**

Spring Session starts on 1/13/25

The subject of extending the spring season to have bigger payouts was discussed. A majority of the captains voted to extend the session. The spring session will be a double session. It will run 22 weeks with 2 bye weeks and payouts for regular session and playoffs will be increased (see below for playoff places). Specials payouts will be doubled. The Fall 2025 session will be a regular 11 week session with regular payouts.

For the Spring session ONLY the rule to add new players and the number of weeks a player needs to complete to be eligible for playoff are as follows:

- Each team has 6 weeks to add to their roster
- To be eligible for playoffs a player must have played 6 weeks.
- Payouts for the regular session will be 1<sup>st</sup> thru 4<sup>th</sup> place, playoffs will be 1<sup>st</sup> thru 3<sup>rd</sup> place.

It was proposed that only the bottom 3 don't go to playoffs. Captains voted to have all teams go to playoffs.

It was proposed that we don't have gift cards at the banquet and just have a cookout. Majority of the captains voted to keep the prizes at the banquet.
