All work performed and authorized on this work order shall be paid for at the time of completion; for larger projects, deposits ar partial payments are required. Marina staff will send invoices as work progresses. Payments can be made in the form of cash, chec cashier's check, money order or credit card. The entire invoice must be paid before the vessel departs the marina. Anyone violating this policy may be subject to fees required or incurred by the marina to collect such charges.
Customers who choose to keep their vessel on land or in a slip after service work is completed will be required to sign the Rent Contra and pay monthly rent.
I have read and understood the statement above and agree to comply with these terms.
