

East Manatee Bulldogs

Weather Policy

At all East Manatee Bulldogs functions, there is a designated individual that will monitor the weather conditions.

Upon the weather, meeting defined criteria (lighting strikes...) the practice or game will be put on delay.

Each Lightening delay lasts for 30 minutes.

If during practice, we will stay at the field house at least until 7pm. During the delay, all players **MUST be under roof or in a vehicle.**

If a lightning strike occurs after 7pm, we will cancel that practice session.
