Attendance (Days Absent)							<p>-* As per FLDOE: Courses (Alg 1, Geom, Biology) that require and end of course exam (EOC) exam, credit may not be awarded until the student has passed the EOC. The grade earned in the class is calculated in the GPA.</p> <p>Only high school courses earn a semester exam grade, final semester grade, and the HS credit (.5 per semester).</p> <p>Middle school courses do not earn a semester grade. Instead, all four quarters are averaged together for a year-long grade.</p> <p>Contact your school guidance counselor for a thorough review of your promotion status.</p>
