

# ANGELA HEYROTH

SPEAKER, PRESENTER,  
FACILITATOR

Angela Heyroth is a talent management expert, University of Denver faculty member, Founder of Talent Centric Designs, and a LinkedIn Top Voice. Her insights have been published in over 25 leading periodicals including Fast Company and HR.com. In addition to shaping talent strategy and organization design for partner companies, she is also a sought-after keynote, conference, and workshop speaker. Known for her engaging and approachable style, Angela has delivered high-impact keynotes and workshops to audiences ranging from 10 to over 1,000 people, both virtually and in person.
