

# ANGELA HEYROTH

SPEAKER,  
FACILITATOR, ADVISOR

Angela Heyroth is a talent and organizational effectiveness advisor, speaker, and University of Denver adjunct professor who has spent more than 25 years helping organizations make workplaces work better.

Drawing on experience across the full talent lifecycle, Angela brings a practitioner's perspective to the intersection of people and performance. Her insights have been featured in Fast Company, CHRO Daily, HR.com, and other publications, and she has delivered keynotes and workshops to audiences ranging from 10 to more than 1,000.

## POPULAR SESSIONS
