

VIDEO GAME SAFETY: PLAYER 2 HAS ENTERED

Presented by: LaloBoy Foundation

Bridge the gap between gaming and parenting by learning how to set healthy boundaries, encourage safe play, and support your child's interests.

This workshop includes key topics including:

- **Gaming 101:** Understanding basic gaming terms, genres, and maturity ratings
- **Supporting Your Gamer:** Encouraging your child's passions while maintaining balance
- **Family Communication & Boundaries:** Setting healthy limits without constant battles
- **Staying Safe Online:** Protecting kids from scams, cyberbullying, and online strangers
- **Smart Gaming Habits:** Recognizing signs of unhealthy gaming and promoting positive play

Because keeping kids safe online is a game worth winning!

Who Should Attend?

Parents, guardians, and caregivers of K-12 students who want to better understand gaming culture and ensure a safe experience for their children.
