A photograph of the Texas state flag, featuring a large white star on a blue field, waving in the wind. The background is a field of bluebonnets in bloom, with green grass and other flowers visible. The text is overlaid on the right side of the image.

As a Texan and a card maker I have always hoped to spread joy to others. This drive is very simple. I am asking others to make cards to be given to the people of Uvalde. This is not a monetary campaign nor is it a political campaign. I have all of the details on my website if you would like to join and share your cards and prayers with those in need.

Dates: May25th - July 1st
