

Recreational Soccer

Is your son or daughter interested in playing recreational soccer?

Recreational soccer is focused on fun; simply devoted to the enjoyment of the game, this league provides an opportunity for children to learn the sport and develop a lifelong love of the game, without an emphasis on high-level competition.

All youth soccer players, aged 9-18, who reside in the Bonivital catchment (i.e. including the Community Centres of Dakota, Greendell, Norberry Glenlee, Winakwa, Windsor, Champlain, Norwood, Southdale, Archwood & Notre Dame) are now registered centrally through [Bonivital Soccer Club](#).

- Athletes aged 9-12 play in the Club in-house league
- Athletes aged 13-18 play in the city wide WYSA League
- Friend and Coach requests can be made and are entertained as best as possible
- Teams are formed by birth year(s), and are organized with your area of St. Vital/St. Boniface in mind
- Expect 1-3 practices/games per week
- Registration fee includes a player kit for your child (jersey, shorts, socks)
- Games are traditionally played in months of May/June, in and around the city of Winnipeg

For more information on the outdoor and indoor seasons, and registration details please visit [Bonivital Soccer Website](#)
