NEW YEAR'S PARTY

We had a great turnout to welcome in "2019".

Thanks to "Country Star" for the great music in the afternoon.

A shout of thanks to **Ed Lehmann**, who joined the band for a few songs with his harmonica.

We had 51 people shouting Bingo, Racing Cows, Throwing rocks, Dancing and Eating.

Sounds like a great party to me!

WELCOME NEW MEMBERS

Jim Walker was a woodworker by trade. He will be doing a demonstration of his talents for the Thursday group at the end of January or the beginning of February. We are looking forward to it. Jim enjoys playing Crib, Trivia, and Word search puzzles.

Allan Witzke was a carpenter by trade. He enjoys Crib, Kings in the Corner and learning new Card Games. Allan is Patti's father-in-law. Nice to have you with us!

Our deepest condolences to the family of Dorothy Mazurik. We lost Dorothy, January 16th. She had been a member of High Steppers for 11 years. Dorothy always made everyone feel special, and gave little gifts to people. We will miss her so much. The day was always better when Dorothy was there.

Rest in Peace Dear Lady

What did the snowman and his wife put over their baby's crib?

A: A snowmobile!

How does a Snowman get to work?

A: By icicle!

What do Snowmen call their offspring?

A: Chill-dren!

What do you call ten Arctic hares hopping backwards through the snow together?

A: A receding hare line!

We had to say goodbye to two amazing folks who have been with the High Steppers for 6 years. Thursdays will not be the same. Ken & Betty Carson started as Summer Volunteers with us in 2001. Then they joined as members in 2013. Due to failing health, Ken is in care. Betty recently fell and broke her arm. We hope that she is healing well, and the High Steppers send their best regards to both you and Ken. Drop by for coffee when you are feeling better Betty.

We wished farewell to Gord in December. He has been our right-hand man for the six years that we have been at Winakwa Community Centre. All the best Gord, drop in for a few goodies one day.

We have been doing a number of crafts for our Valentines Day Parties on February 13th & 14th.

We have made "Love Bug" cards, Hershey Kiss Mice, and Bookmarks.

We are also going to be treated to some homemade Italian cooking, as Gina is going to surprise us with a special dish to celebrate.

VENDOR & CRAFTER'S SALE AND TEA

10:00 AM ~ 4:00 PM

Tea will be served from 11:00 am— 2:00 pm

We will need Volunteers to help with all the jobs. A meeting will be set up soon, if you would like to help please let Liz or Shelly know, THANK YOU

We have been experiencing an increased interest in our program by members of the community, so we are looking at opening the club on a third day of the week.

We applied for a grant through the Federal Government's New Horizons For Seniors Program for assistance to start a third day. We will be hearing about whether we have been lucky enough to receive funding to help us get this third day started sometime in March.

If we do start a third day of programming we will need more volunteer help to do so. If you, or someone you know may have some time on their hands that they could spare to help us out, please give us a call.

We are looking for a few new board members, some more drivers, bakers and soup makers. The club is growing, which means there are always jobs that need to be done. We fundraise as much as we can to help with expenses and we always need new ideas and people willing to do the work to be able to provide this wonderful program to Seniors in this Community.

If you have any ideas on ways to help, please let us know. Thanks

We would like to thank the "Manitoba Municipal Relations Community Support Small Grants Program" for providing us with a Grant for Music Therapy. We will be having musical entertainers come in to play for us over the next few months. We hope that you will enjoy the entertainers that will be coming to play for us. So, get up and dance, sing along to the songs and enjoy their talents.
