

An automated 24/7 digital pet verification platform that handles all aspects of a property's pet program- benefiting the **property**, **pet owners**, and the **residential community** at large!

LET VERFID PET...

- Modernize and streamline your property's pet program to establish a safe and compliant pet friendly atmosphere for all residents
- Help enforce your property's pet policy, including review of reasonable accommodation requests for assistance animals (service animals & support animals)
- Collect and verify pet credentials of prospective pet owner residents and existing pet owner residents
- Provide tools for on-going compliance (vaccinations, breed, weight, other) through remote screening of pets residing on your property.
- Maintains a digital log detailing which pet lives in which apartment home
- Collect and remit pet fees

HOW VERFID PET WORKS

PROPERTY MANAGERS...

1. Contact business@verfidpet.com to create an account.
2. A representative will contact you to submit an annual service fee, and will help create a business account on your behalf.

🐾 Below are some of the basic access options that will be discussed

PET OWNERS...

1. Create an account at www.verfidaccount.com
2. Input their information and pet's information
3. Upload supporting documents for verification: veterinarian reports, proof of spay or neuter, vaccination records, and more.
4. Upload reasonable accommodation requests for assistance animals, if applicable.
5. Purchase the VERFID PET Smart Tag for a one-time fee of \$29.95 and then...

- 🐾 Electronically submit pet fees charged by the property (see below to learn more)
- 🐾 Upload vaccination records and other documents for the lifetime of the pet
- 🐾 Enjoy the security of a modifiable identification tag packed full of useful information
- 🐾 Use the tag as proof of pet credentials at participating municipalities and businesses within the community (see below to learn more)

DIRECT PAYMENT

The direct payment feature allows pet owners to submit payments to a selected business or municipality.

This feature is used to pay pet rent, access fees, pet licensing fees, and more. The amount owed is determined by the business or municipality- VERFID collects and remits the payment on behalf of the pet owner and selected business or municipality.
