

In the months leading up to 2020, the authors shared many (psy) perceptions regarding the 2nd decade of the 21st Century. In December of 2019, a horrifying dream brought Aaron (Ladd) right out of his sleep. In the Dream Vision, a Satanic demon was accosting Helen as both the image of (S) and the hapless Woman stared back. Behind the striking image of the pair, an old sickly man withered away, thus providing a sure portend of forthcoming mass death. Mails were shared by the authors that the coming decade *was most assuredly cursed* and much death and disaster would follow.
