## CONTINGENT BENEFICIARY PHONE SCRIPT

Hello is \_\_\_\_ there? Hi, this is \_\_\_\_\_ service manager with American Income Life, I handle your (relationship), (name) life insurance benefits through the (veterans). The reason I'm calling you is, your \_\_\_\_\_ nominated you as their contingent beneficiary for their life insurance policy. Now what this means is that if God forbid their primary beneficiary were to pass away before them you would then be responsible for handling the funeral arrangements upon their death.

Now it's our service policy that I review some very important claim forms and explain how to file a claim, so you're prepared if something does happen. We have an A+ insurance company rating and we do things like this to make sure we keep it. On top of this, I'm going to be issuing you some additional no cost benefits on behalf of our company as a way of saying thank you for taking on such a big responsibility.

The best part about this is that you're going to have access to some of the exclusive benefits that groups like the veterans, police & firefighters, but you would have but you would have to qualify for those!

**FLIP APPT** Since it's all virtual now it's a super quick and seamless process. We just need to get you on a quick ZOOM call and run through this. ## GLOBE LIFE LEAD PHONE SCRIPT

Hi, \_\_\_\_? This is \_\_\_\_ with Globe Life ALL. The reason I am calling is to complete your globe life application. Now, I have your address at **(Verify Address)** is that correct?

Ok, Great. Now, are you looking to cover yourself or someone else? Ok. Great.

**(Client Name)** you didn't list your beneficiary. When something happens to you, who do you want the money to go to? (Do you have a spouse?)

**Yes Spouse:** Ok great they will need to know how everything works. What is their name?

**No Spouse:** Not a problem, then this just applies to you then. Now, the next step is to verify your eligibility, show you everything you qualify for, designate **(Beneficiary Name)** as your beneficiary and complete the application process. It usually just takes 20 minutes depending on how many questions you have. Does that sound fair?

## POS PHONE SCRIPT

Hey, \_\_\_\_\_?

Hey \_\_\_\_\_, this is \_\_\_\_\_ service manager with your life insurance company, American Income Life. The reason for the call is your life insurance policy you took out back in \_\_\_\_ came across my desk and there were some very important updates made to it.

The first update has to do with the terminal illness rider, what this means is, if God forbid you should ever become diagnosed terminal the company will give you access to half your funds to go towards treatments, medical bills, hospice or anything like that. It does not cost you any additional money, but it is very important.

Lastly my job as the service manager is a little bit different than the agent who originally enrolled you. I'm going to make sure you understand exactly what you have and how it works. Also, I'll go over your cash value, and what the future of your policy is going to look like.

**FLIP APPT** Since it's all virtual now it's a super quick and seamless process. We just need to get you on a quick ZOOM call and run through this. Are you by a smart phone, tablet, or computer by chance? Ok great I'm going to send you a zoom link just to make sure our benefits portal is working properly. Okay, let me know when you get it. **(WALK THEM THROUGH DOWNLOADING ZOOM AND GET THEM ON ASAP. ONCE THEY ARRIVE THEN WAIVE TO THEM AND TRY TO FLIP!)**

PLEASE MAKE SURE YOU'RE IN A QUIET PLACE FOR OUR CALL, IS THERE ANY REASON YOU SEE YOURSELF MISSING THIS APPT? OKAY GREAT, DON'T FORGET ABOUT ME BECAUSE I WON'T FORGET ABOUT YOU. TALK THEN!

(We have to take care of this because not all of your coverage is permanent) (There have been some new features added to your policy at no additional cost to you, and she is going to review them.)

## CONTINGENT BENEFICIARY PHONE SCRIPT

Hello is \_\_\_\_ there? Hi, this is \_\_\_\_\_ service manager with American Income Life, I handle your (relationship), (name) life insurance benefits through the (veterans). Now it's our service policy that I review some very important claim forms and explain how to file a claim, so you're prepared if something does happen. We have an A+ insurance company rating and we do things like this to make sure we keep it. On top of this, I'm going to be issuing you some additional no cost benefits on behalf of our company as a way of saying thank you for taking on such a big responsibility.

The best part about this is that you're going to have access to some of the exclusive benefits that groups like the veterans, police & firefighters, but you would have but you would have to qualify for those!

**(MEMBER)** are you currently working, or are you retired? **(Mention spouse if married)** Are you home right now? Ok, Great. Now, are you looking to cover yourself or someone else? Ok. Great.

## POS PHONE SCRIPT

Hey, \_\_\_\_\_?

Hey \_\_\_\_\_, this is \_\_\_\_\_ I'm with the service dept with your life insurance company, American Income Life. The reason for the call is your life insurance policy you took out back in \_\_\_\_ came across my managers desk and there were some very important updates made to it.

The first update has to do with the terminal illness rider, what this means is, if God forbid you should ever become diagnosed terminal the company will give you access to half your funds to go towards treatments, medical bills, hospice or anything like that. It does not cost you any additional money, but it is very important.

Lastly my service manager's job is a little bit different than the agent who originally enrolled you. They're going to make sure you understand exactly what you have and how it works. Also, they'll go over your cash value, and what the future of your policy is going to look like.
