

Cancer Facts

- 50% of men will contract cancer in their lifetime, 33% of women.
- The leading cause of bankruptcy. Avg out of pocket expense is \$20,000 per year.
- Over 230 forms of cancer, only 6 can be detected in bloodline.
- Health insurance protects, but it's just not enough - 1/3 drugs used to treat cancer may not approved by FDA – 100% cost out of pocket.
- 2/3 Americans do not even know they need cancer protection, nor do they even know it exists.
