

## Career / Life Do-Overs

1. Give God what's right not what's left.
2. A lot of kneeling keeps you in good standing with God.  
(He who kneels before God can stand before anyone)
3. Don't put a question mark where God puts a period.
4. When praying, don't give God instructions, just show up for duty.

5. Plan ahead. God does.
6. Exercise daily: Walk with the Lord.
7. Compassion is difficult to give away because it keeps coming back.
8. He, who angers you, controls you.
9. Worry is the darkroom in which negatives can develop.
10. God doesn't call the qualified, he qualifies the called.

Our God is a God of Do-Overs.
