About The Event

The 2024 Festival of Trees is a season-long charitable event intended to generate funds for Mobile Integrated Health and Perinatal Pathways programs of Daviess Community Hospital.

Local businesses, organizations, arena partners, and individuals are invited to participate by sponsoring a custom-decorated holiday tree to be on display at the Montgomery Ruritan. All proceeds will be donated directly to Mobile Integrated Health and Perinatal Pathways.

The proceeds from this event will go to Daviess Community Hospital's Mobile Integrated Health and Perinatal Pathways programs. Mobile Integrated Health is the bridge for connecting public health and health care by working to address patients' social determinants of health and health equity in our county.

Social determinants of health are the non-medical factors that influence health outcomes. They include factors like: access to healthcare, education, a safe place to live and nutritious food, employment, social support networks, political, socioeconomic and cultural factors.

Our team consists of Community Paramedics, Transitional Care Nurses, and Community Health Workers. The team can visit patients at their home and assist with health screenings, vaccinations, treatments, and follow-ups. MIH also includes social work, mental health, substance abuse resources and referrals.

Your support and contributions will enable us to assist by improving the health of people living in our communities who are uninsured or underinsured individuals living under the poverty line. By providing medical care, medication, housing, travel, food, and clothing. Your donation will also help lead the fight for the health of all moms and babies in Daviess and surrounding counties.

The Festival of Trees will be free and open to the public during the hours of 3 p.m. to 5 p.m. to walk through and participate in People's Choice Judging. The ticketed gala event and tree auction will open at 7 p.m. Sponsors will receive a select number of tickets to the gala event where they will be able to celebrate the holiday season with silent auction, tree auction, catered dinner, cash bar, and live music.
