We recognize that substance use disproportionately impacts marginalized populations, such as LGBTQ or persons of color. To effectively address the root causes of substance use, we must know and deeply understand the disparities. Pick the challenge up at pace that feels comfortable for you. <p><i>Plan to participate in optional Friday Equity Conversations via Zoom from 9:00 to 9:45 a.m.</i> The Coalition Coordinator, Kate Hansen, and P4P Members will lead the discussion.
