

## Care, Learning and Play Policy

Children learn when they are in a safe and caring environment where they are stimulated through play.

Babies and young children develop best when they are in a caring relationship with an adult. A baby will learn to walk faster when they have a safe pair of arms to walk towards and learn to talk, when they have an adult listening and responding to them.

I will strive to provide your child with an environment that will be caring, fun and stimulating. I will implement ideas from the Early Years Foundation Stage and includes:

CL - Communication and Language.

EAD - Expressive Arts and Design

L - Literacy

M - Mathematics

PD - Physical Development

PSED - Personal, Social and Emotional Development

UW - Understanding the World

These activities will include but are not limited to:

Dressing up clothes.

Books and Videos.

Small world toys.

Construction toys (lego, duplo etc).

Pretend play (toy kitchen etc).

Water play.

Arts and Crafts.

Outings.

Cooking.

Gardening.

Outdoor play and equipment.

I will regularly observe your child and make records, these will enable me to make plans on how I can help your child move onto the next stage of their development.

If there is a particular activity that you would like me to do with your child, please let me know. I am very happy to support activities that you are doing at home or events that have happened. For example if you have been to a wedding I can continue this theme by providing the children with material to use as wedding clothes and help them understand through books and other resources.

You can connect to the Family App and see a detailed journey of your child's learning and development, this can be found within the Progress section on the system, this section details all the observations, next steps, achievement dates and photographs of your child's development.
