ARTICLE III USE RESTRICTIONS

Section 1. Land Use. All lots in the tract known and described as residential lots may be

developed as traditional, single-family residences except that only one residence or dwelling shall be permitted on any one lot.

Section 2. Building Type. No structure shall be erected, altered, placed or permitted to remain on any single-family building lot other than one detached single-family dwelling not to exceed two stories in height and a private garage for not more than two cars and other outbuildings incidental to residential use of the lot. Such outbuildings erected, altered, placed or permitted shall be of the same quality, workmanship and material as the principal dwelling structure, and will be erected and placed according to Section 3 below.

Section 3. Set Back Requirements. There shall be no structure on any of the designated single-family lots within twenty-five (25) feet of the street on which the lot fronts, nor within less than five (5) feet of the side lines of the lot and not less than twenty-five (25) feet from any side street, or the provisions of Appendix B of the Cumberland County Subdivision ordinance 3-1.3 *et. seq.*, whichever is more restrictive nor closer than thirty (30) feet to rear line on peripheral lots or closer than ten (10) feet to the rear of any single-family interior lot. For the purposes of this covenant, eaves, steps and overhangs shall not be considered as a part of the building, provided however, that this shall not be construed to permit any portion of an improvement on a lot to encroach upon another lot. Outbuildings, as permitted in Section 2 above, shall be erected or placed no closer than five (5') feet to the rear lot line of lot. When consistent with the Zoning Ordinance, the building line set-back as provided for in this Paragraph may be varied by as much as ten (10) per cent with the express consent of Floyd Construction Co., Inc., which said consent document need not be of record in the Office of the Register of Deeds, Cumberland County, North Carolina.

Section 4. Minimum Size of Each Dwelling. No dwelling shall be permitted to be erected on any lot at a cost of less than \$45,000.00, exclusive of the cost of the lot, said cost being based on the prevailing cost of construction at the time these covenants are recorded. Inasmuch as the cost of construction may increase or decrease, Floyd Construction Co., Inc. its successors or assigns may amend the minimum permitted cost requirements as set out in this paragraph in accordance with the amendment provisions in Article X, Section 1 hereinafter.

The ground floor of the main structure, exclusive of one-story porches and garages, shall not be less than nine hundred (900) square feet for a one-story non-duplex dwelling not less than five hundred (500) square feet for the first floor of a two-story dwelling, total to be no less than nine

hundred (900) square feet. Square footage is determined by the outside dimensions of the main structure, excluding any unheated space. Heated area living space shall mean the ordinary living space in a house which is designed and constructed so as to be capable of being heated for regular living use in cold weather. In the computation of floor space, unheated storage area, garages, and porches shall not be counted. No residence or other building, and no fence, wall, utility yard, driveway, swimming pool or other structure or improvement, regardless of size or purpose, whether attached to or detached from the main residence, shall be commenced, placed, erected or allowed to remain on any building plot, nor shall any addition to or exterior change or alteration thereto be made, unless and until building plans and specifications covering the same, showing the nature, kind, shape, height, size, materials, floor plans, exterior color schemes with paint samples, location and orientation on the building plot and approximate square footage, construction schedule, on-site sewage and water facilities, and such other information as the Declarant shall require, including, if so required, plans for the grading and landscaping of the building plot showing any changes proposed to be made in the elevation of surface contours of the land, have been submitted to and approved in writing by the Declarant and until a copy of all such plans and specifications, as finally approved by the Declarant, have been lodged permanently with the Declarant. The Declarant shall have the absolute and exclusive right to refuse to approve any such building plans and specifications and lot-grading and landscaping plans which are not suitable or desirable in its opinion for any reason, including purely aesthetic reasons connected with future development plans of the Declarant of said land or contiguous lands. In passing upon such building plans and specifications and lot-grading and landscaping plans, the Declarant may take into consideration the suitability and desirability of the proposed constructions and of the materials of which the same are proposed to be built to the building plot upon which it proposes to erect the same, the quality of the proposed workmanship and materials, the harmony of external design with the surrounding neighborhood and existing structures therein, and the effect and appearance of such constructions as viewed from neighboring properties. In the event the Declarant fails to approve or disapprove such building plans and specifications within thirty (30) days after the same have been submitted to it as required above, the approval of the Declarant shall be presumed and the provisions of this paragraph four (4) shall be deemed to have been complied with. However, no residence or other building, structure or improvement which violates any of the covenants and restrictions herein contained or which is not in harmony with the surrounding neighborhood and the

existing structures therein shall be erected or allowed to remain on any part of a building plot on said land.

Section 5. Driveways. All driveways shall be constructed of concrete.

Section 6. Temporary Structures. No trailer, tent, shack, garage, barn or similar type outbuilding shall be placed, erected or allowed to remain on said property without the written consent of Floyd Construction Co., Inc., its successors or assigns. the premises except in the course of delivery, pick up, or discharge of a specific commercial duty. No automobile or motor vehicle shall be parked in the street or public right of way.

No camping trailer, motor home, or recreational vehicle (not including sports utility vehicles) shall be permitted on the premises except in accordance with restrictions contained herein. No camping trailer, motor home, or recreational vehicle may be parked closer to the front street than either the front corner of the house on the premises or the front corner of the adjacent house, whichever is furthest from the street, and must be parked on a permanent parking pad as large as the camping trailer, motor home, or recreational vehicle. Any permitted camping trailer, motor home, or recreational vehicle must be kept in well maintained condition and appearance, which condition and appearance are subject to the approval and control of the Aesthetic Committee. On corner lots, no camping trailer, motor home, or recreational vehicle shall be permitted any closer to any street than the principle dwelling structure. In no event shall any permitted camping trailer, motor home, or recreational vehicle be used as a residence temporarily, permanently, or otherwise.

Section 10. Fences. On Lots 1 through 3, and on Lots 39 through 41, only fences installed by the Declarant, or specifically approved in advance by the Declarant prior to conveyance of all lots in the subdivision, or by an Aesthetic Committee composed of three (3) or more representatives appointed by the Board of Directors after the conveyance of all lots in the subdivision, may be erected. On Lots 120 through 126, no fence shall be erected or maintained more than 175 feet from the front property line, but in no event may a fence be placed in any wetlands area. Any variation or deviation may be considered only with the written consent of Floyd Construction Co., Inc.

Section 11. Exterior Alterations. No exterior alterations, additions, or changes of any kind may be made to the structure or design of the residence and improvements now on said property without the written consent of Floyd Construction Co., Inc., its successors or assigns.

The personal obligation for delinquent assessments shall pass to his successors in title.

- (c) assessments and fines for violations of this declaration of covenants, conditions and restrictions, as to be established, collected and described hereinafter.

The annual and special assessments, and fines and assessments for violation of this declaration of covenants, conditions and restrictions, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall pass to his successors in title.

(d) Notwithstanding anything in the foregoing to the contrary, under no circumstances will the Declarant be assessed and pay annual assessments, special assessments, and/or assessments and fines for violations of this declaration of covenants, conditions and restrictions as provided for herein.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be for the purpose of maintaining the street lighting including underground low voltage lighting and high voltage spot lights and Christmas tree lights, maintaining the entrance walls and structures, maintaining subdivision signage, maintaining the picket fence, trellis and pavilion, maintaining the landscape easement, maintenance and upkeep of the flora and fauna in the median strip including maintaining any sprinkler systems, maintenance of the gate security guard house and personnel, maintenance of the park, green spaces, and sidewalk, maintenance of all parking lots for use in conjunction with the common areas, and for such other purposes as may be consistent with maintenance of the high character of the development for the benefit of all the owners and protecting the value and desirability of the real property and enhancing of homes and lots. (b) From and after January 1 of the year immediately following the conveyance of the first lot to an owner, the annual assessment may be increased each year not more than ten (10%) per cent above the assessment for the previous year by a vote of two-thirds of the members who are voting in person or by proxy at a meeting duly called for this purpose.

(c) The annual assessment shall not be increased above the foregoing limit without the approval of two-thirds of the members.

(d) Notwithstanding anything in the foregoing to the contrary, under no circumstances will the Declarant be assessed and pay annual assessments as provided for herein.

Section 4. Notice and Quorum for Any Action Authorized under Section 3. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting.

At the first such meeting called, the presence of members or of proxies entitled to cast fifty (50%) per cent of all the membership votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5. Uniform Rate of Assessment. Assessments must be fixed at a uniform rate for all lots and shall be collected on an annual basis.

Section 6. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all lots on the first day of January following the conveyance of the common area to the Association. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notices of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors and the Board of Directors shall have the authority to require the assessments to be paid in pro-rata monthly installments. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid.

Section 7. Fines and Assessments for Violations of This Declaration of Covenants, Conditions, and Restrictions, and Aesthetic Rules, Regulations and Decisions of the Aesthetic Committee.

(b) If the violation or decision is not remedied, a second letter of warning shall be issued to the owner, advising the owner of the date of imposition of the daily fine, as well as the amount thereof, if the violation is not remedied by the imposition date.

(g) Notwithstanding anything in the foregoing to the contrary, under no circumstances will the Declarant be assessed and pay annual assessments, special assessments and/or assessments and fines for violations of the declarations of covenants, conditions and restrictions as provided for herein.

Section 8. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any institutional first mortgage and ad valorem taxes on said Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, but shall not abate the personal obligation of the prior owner. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve (12%) per cent per annum. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use or abandonment of his lot.

ARTICLE VI MEMBERSHIP AND VOTING RIGHTS

Class A. Class A members shall be all owners of detached units with the exception of the Declarant and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. Class B members shall be the Declarant and shall be entitled to three (3) votes for each Lot owned. The Class B Membership shall cease and be converted to a Class A membership respectively upon the happening of either of the following events, whichever occurs earlier:

In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specification have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

Additionally, the Association shall provide maintenance for any walking trails, recreation lands, parks, playground equipment, pavilions, landscape easement, entrance gate, guard house, entrance signs, sidewalks, street signs, stop signs, lighting, sprinkler systems, landscaping, landscape lighting, and common areas added to the subdivision in the future. The cost of such maintenance, repairs and replacements shall be paid for out of the assessments provided for in Article V above. In the event an Owner neglects or otherwise refuses to maintain his or her house and other accoutrements in a state of repair consistent with the beauty and welfare of the remaining area, including but not limited to painting of the exterior, then and in that event, the Architectural Control Board may effect such maintenance, repairs or replacement, and the cost of such maintenance, repairs and replacements shall be added to and become a part of the assessment to which such lot is subject pursuant to Article V.
