

2024 Annual Report

“What an epic year we had supporting a wonderful, engaged, and successful group of undergraduate and graduate school admissions clients. We are so proud of the Class of 2025 and their many achievements as students, athletes, and community leaders. We also had a record year of increased business in graduate school admissions consulting, advising across multiple disciplines within medicine and law. We continue to offer a myriad of additional benefits to our clients, including our proprietary industry Insights Event—connecting students with industry leaders to gain strategic exposure, future connections and invaluable insights into post-grad life. Congratulations to the Class of 2025! Getting to know all of you has been our pleasure and honor.” – Lia Jill Levitt, Founder & CEO

Testimonials from Our Senior Class

Ariane

"For me personally, I have never worked with someone as well as Ariane! I love how easy it was to connect with her as well as the relationship we gained from all of this. I cannot describe how much love and empathy I have for her. She has encouraged me to be the best person I can be in so many situations. She has helped me reach my goal in finding the best school for me as well as making me feel the most welcomed and appreciated in this experience. She has truly brought me to be the person I am after this tough journey, and I wouldn't know what to do without her! Thank you!!"

Lucy McDonald, University of Rhode Island

"Ariane was an amazing college counselor and made the process of finding and applying for college seamless and stress-free. I'm not normally the type for video calls but I found the meetings really chill and casual while also getting everything done. By following her advice, I noticed that I was chipping away at the process without even realizing how far I was coming...I'm really grateful for her help."

Chris Ivanoff, Bryant University

Lia

"Working with Lia was easy and comfortable—she really got to know me and made every meeting feel meaningful...I was thrilled with my results, earning acceptances to several top-choice schools and multiple merit scholarships. Even after my applications were in, Lia continued to check in and help with final decisions, and I still feel I can reach out whenever I need her."

"Our meetings were helpful but also just real, I could talk about literally anything, and Lia always made time. She was super easy to reach. I never felt like I was annoying her, and that made a big difference, especially when everything else felt chaotic...I got into great schools I loved and got a good amount of merit money, which was a relief. I know I can still text you and you'll be there. I really appreciate that!"
