## Volunteer

- We are looking for more member's input. If you have experience with grading we can use your expertise.
- **Volunteer Days** - the second Saturday of every month. We will meet at the ETC lot on Rodgers Creek and Candy Lane at 9AM. Bring your shovel and/or rake! We hope to have teams that will be clearing ditches and culverts and doing any road maintenance so that we can to reduce labor cost and increase gravel on our roads.
