New Hours for Skeet and Trap Shooting

In an effort to make skeet shooting more available for younger shooters who may have trouble getting to the range after work we have tried to wait until later in the afternoon to start. Unfortunately, those hours of operation did not result in any new shooters coming out, but it did lead to some of the older shooters getting in less shooting because the later hours did not fit their schedules as well. Consequently, we still begin skeet at 3:00 and trap at 5:00 on Tuesdays. If you wish to shoot skeet after 6:00 P.M. on Tuesdays please call Bruce Krieger at 757-2279 or 231-357-4598 to make arrangements. Both trap and skeet will also continue on Saturday mornings starting at 9:00 A.M.

Baiting or No Baiting

Just for your information, Senate Bill 37 of 2019 has been given a hearing date before the Senate Natural Resources Committee. SB37, sponsored by Senator Curt VanderWall (R-Ludington), would allow the baiting and feeding of whitetail deer and elk in Michigan.

For additional information about this bill and why it is being introduced, you can contact Senator VanderWall.

EDITORS CORNER

When you receive your new "RED" membership card, you will notice that you are being asked not to give out your card nor the gate combination to a non member. Rules of the Fin & Feather Club are that members may invite a guest to accompany them for different functions on club grounds.

Your Board believes trespassing is becoming a problem for the club and excessive damage to the shooting ranges are being done. Members are asked to follow all the rules of the ranges, when shooting. Shooting at proper ranges with the proper weapons, only firing at targets not wooden poles and targets that should not be shot at by high powered rifles. Signs are erected on the various ranges informing shooters of the rules. In addition, each range has a mailbox containing a sign in sheet. Each shooter **MUST** sign in before shooting at those ranges. Members are asked to carry their membership card with them when on club property as from this time forward, you probably will be asked to show your membership card to prove you are a member of the club. It's sad that the club has to go to these links to stop malicious destruction of club property, but remember it's the membership who has to pay for these damages.

Thank you, Thank you to Frank Koehle for making the sneeze guards for the club. They will be used when serving the monthly dinners and at Plaid Shirt and Big Game Night fund raisers.

Fin & Feather Renewals are due May 1st. Renewals for membership to the Fin & Feather Club have been either sent in the mail or by e-mail. This will be your membership from May 1, 2019 to May 1, 2020. For you snowbirds and if you receive the Tattered Feather hard copy in the mail, you should have received a postcard in the mail. If you receive your Tattered Feather by e-mail, you should have received your renewal form by e-mail. If you do not receive a renewal form, please contact me (Nita Finch) and I will get one out to you.

According to the By-Laws, you must renew your membership by May 1, 2019 to avoid paying the initiation fee of \$12 again and to remain in good standing with the club. **The gate combination will be changed on May 1st, so if you don't renew by then, you will not have access to the club grounds.**
