## Paul Butterfield Law Enforcement Award

Once a year the Fin & Feather Club awards a \$1,000 scholarship to a student at West Shore Community College who is entering the law enforcement field. This year the scholarship goes to Arizona Dahlman .

Arizona Dahlman was born and raised in Muskegon County and is a true Michigan native. Graduating from Grand Haven High School in 2014, Arizona immediately enlisted into the United States Marine Corps and spent six and a half years serving his country which included multiple deployments overseas. In mid-2021, Arizona completed his military service. Shortly afterwards, Arizona transitioned to serving the American people through the Department of State and was sent to the American Embassy in Moscow, Russia for a period of one year. Arizona then returned to his hometown in Muskegon. While readjusting to American lifestyle and working various jobs, Arizona was selected to attend the West Shore Community College Police Academy, representing the Norton Shores Police Department, where he was

awarded the Fin & Feather club's Trooper Paul K. Butterfield Memorial Scholarship.

Arizona was again selected Fin & Feather's Trooper Paul Butterfield Memorial Scholarship for the year 2024. Congratulations Arizona...

First Basic Pistol Class of the year was held April 20th. 12 students successfully passed the course and got to do some shooting with the pistols.

## 3-D Archery

There is a lot going on up at the north 40. Over half of the course has been re-set and should be completed

by May 4. Many thanks to those who helped make this happen. We have ordered some new targets again this year, so the upgrade continues. We will be working on backstops and shooting lane additions this summer. We also have some building issues to address.

Don't forget about the new gate code starting May 1.

We are also planning inviting the public to shoot in July, August, and September on the 3rd Saturday.

Armed Women of America is a non-profit organization that organizes local groups of women around the country that meet monthly to practice, learn, and grow as shooters. We create opportunities for women to be introduced to issues important to women shooters, learn safe gun handling skills and train together and work to expand the world of firearms to women all over the country in a safe,

non-threatening way with the purpose of educating Armed, Brave, and Confident Women. ***Schedule of Armed Women of America Meetings 2024 being held at the Fin & Feather Clubhouse.***

### **HAVE YOU EVER WANTED TO DO SOMETHING, SHARE INFORMATION, LEARN SOMETHING (FISHING, HUNTING, LOOKING FOR MUSHROOMS, ETC) AND HAD NO ONE TO GO WITH??**

This is a new idea for our members that we thought might be worth a try. With approximately 900 members this may be a way to meet new friends and fellow members. Also, possibly come up with new programs, get members more involved in our club, and give members a chance to make a few new friends and share some common interest.

The Idea is to have a section in the newsletter where you can post your contact information and see if there may be someone out there that may share the same interest and be willing to get together or share information with you.

Some examples: I'm looking for someone to go Fly fishing with or teach me the basics. I'm interested in reloading but don't know where to start. Is there anyone interested in developing a handgun bowling pin type shoot. Can someone help me with how to apply for preference points for elk hunting.

Again, all you need to do is send in your Interest or request along with your contact info to Nita (bearladytwo@live.com) for the newsletter and we'll get it posted. What have you got to lose? You might make a new friend or friends, gather some information you've been looking for, or be able to put together an event you'd like to see at the club.

Photos from Big Gun Night.

**Turkey wings & or Feathers Wanted**  
I am looking for as many turkey wings or primary feathers as I can get....birds shot, road kill, wings from friends' or neighbors' birds; all are welcome and appreciated. I make arrows for kids, offer them to fly tiers and offer them to budding arrow smiths. Donors may call me, email me or just bring them to an upcoming meeting...Dick Herrmann. (989) 388-7044

**Fin & Feather Renewals are due May 1st.**  
The renewals for membership are due May 1st and the renewals went out either in the mail or was e-mailed to you. If you have not received one, contact Membership Secretary Nita at 231 690-0874. According to the By-Laws, you must renew your membership by May 1, 2024 to remain in good standing with the club and to avoid paying the \$12 initiation fee again. The gate combination will be changed the middle of May to the new code, so if you don't renew by then, you will not have access to the club grounds.

**Monday Night Women Pistol Shooting**  
On Monday nights, the women are still shooting pistols. The class starts at 6:00 PM and is taught by Jim Glover. The class is for women and is open to the public. There is no cost to come out and shoot and you can either bring your own pistol or pistols will be supplied.

There will be a Hunter Safety Workshop with Corp. Steve Orange on June 10th from 5-9 PM. This is a good opportunity for anyone interested in becoming a Hunter Safety Instructor to attend the workshop.
