

A-RID-A-PEST: COVID 19 SAFETY RESPONSE

We here at A-Rid-A-Pest appreciate and value your business and want to assure our customers that we will continue to serve you as we take precautions regarding the COVID19 virus. We are taking the following measures to ensure the safety of our customers and staff:

- All staff will wear gloves while servicing residential homes or business facilities
- All staff, when appropriate will wear masks before entering each residential home or facility
- All staff will change gloves before entering each new home or facility
- Avoiding close contact with people who are sick.
- Avoiding touching eyes, nose and mouth
- Washing hands often with soap and water for at least 20 seconds. If soap and water are not readily available, using an alcohol-based hand sanitizer with at least 60% alcohol

We do ask our customers to alert us if someone that has requested service is exhibiting symptoms or may have come back from international travel and we will be happy to reschedule your appointment for a future date.

Through these unprecedented times, our focus remains on providing you with safe and reliable pest control service. It is through all of our collective efforts that we can reduce the risk to each other.

Thank you.
