Cremation Authorization

_____ hereby authorizes Lake Palestine Animal Hospital to arrange the cremation of the remains of the pet at their facility. In providing this authorization, the undersigned represents that he/she is the owner or legal representative of the owner and has the full right and authority to arrange the cremation and disposition of the cremated remains.

Cremation Process

The undersigned acknowledges that due to the nature of the cremation process, any material on the remains of the pet, such as collars, tags, etc., will be destroyed if not removed. Accordingly, the undersigned understands it will either be destroyed or removed and disposed of by the LPAH.

Type of Cremation

I request PRIVATE CREMATION (my pet will be the only pet in the crematorium) and my pet's cremated remains will be returned to me.

I request NON-PRIVATE/COMMUNAL CREMATION (my pet will be cremated with other pets without any means of separation) and my pet's cremated remains will be disposed of in a lawful manner by LPAH.

Certification

I agree to pay for all the requested services prior to cremation (unless otherwise arranged with LPAH), and to pick up my pet's cremated remains within 90 days of Authorization Date. I understand that my pet's cremated remains will not be released to me until my balance is paid in full.

If the balance is not paid in full and no communication has been made with LPAH, after 90 days of Authorization Date, my pet will be disposed of by Lake Palestine Animal Hospital in any lawful manner and I will not receive cremated remains of my pet.

I certify the accuracy of all information on this Authorization form and will indemnify and hold harmless Lake Palestine Animal Hospital, their owners, employer and agents, from any liability, cost expenses or claims in connection with the cremation and disposition of the cremated remains. If cremated remains are not picked up within 90 days of cremation Lake Palestine Animal Hospital may dispose of the cremated remains in any lawful manner.
