Gold's True Message

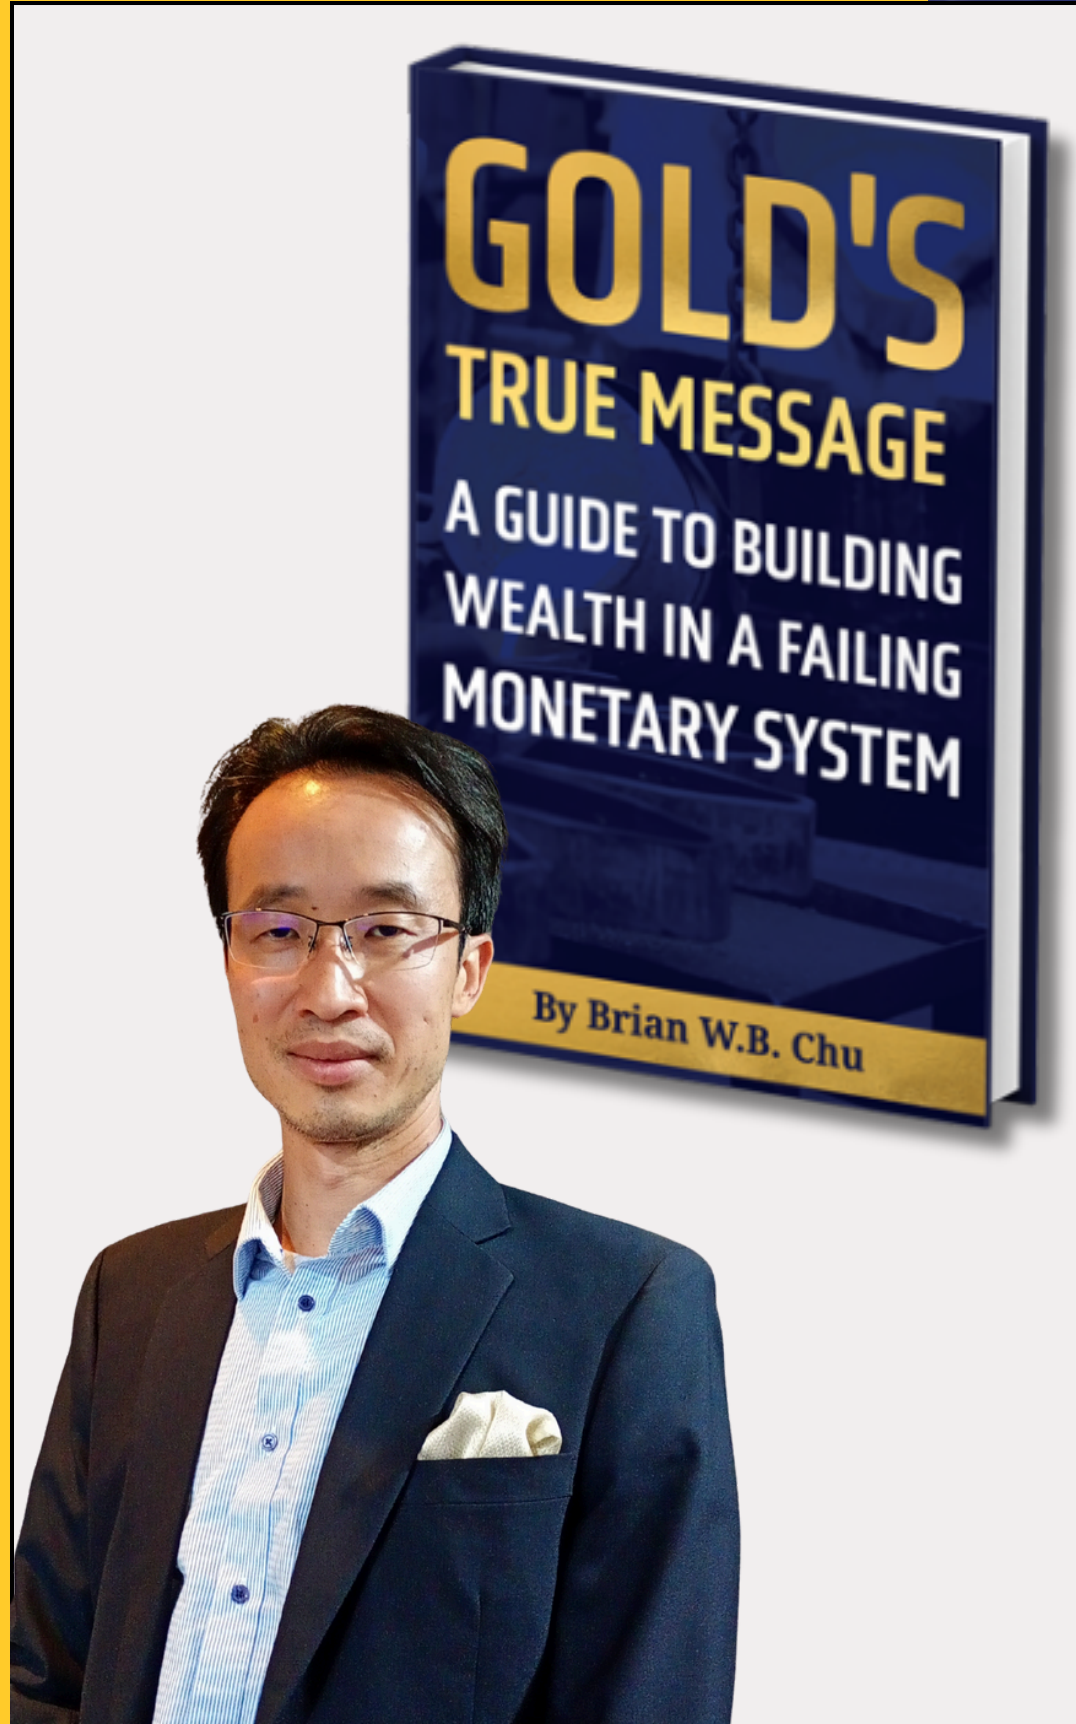

GOLD COAST GOLD CONFERENCE 2026

A GUIDE TO BUILDING WEALTH IN A FAILING
MONETARY SYSTEM

GOLD COAST
Gold

BRIAN W.B CHU

FOUNDER OF AUSTRALIAN GOLD FUND

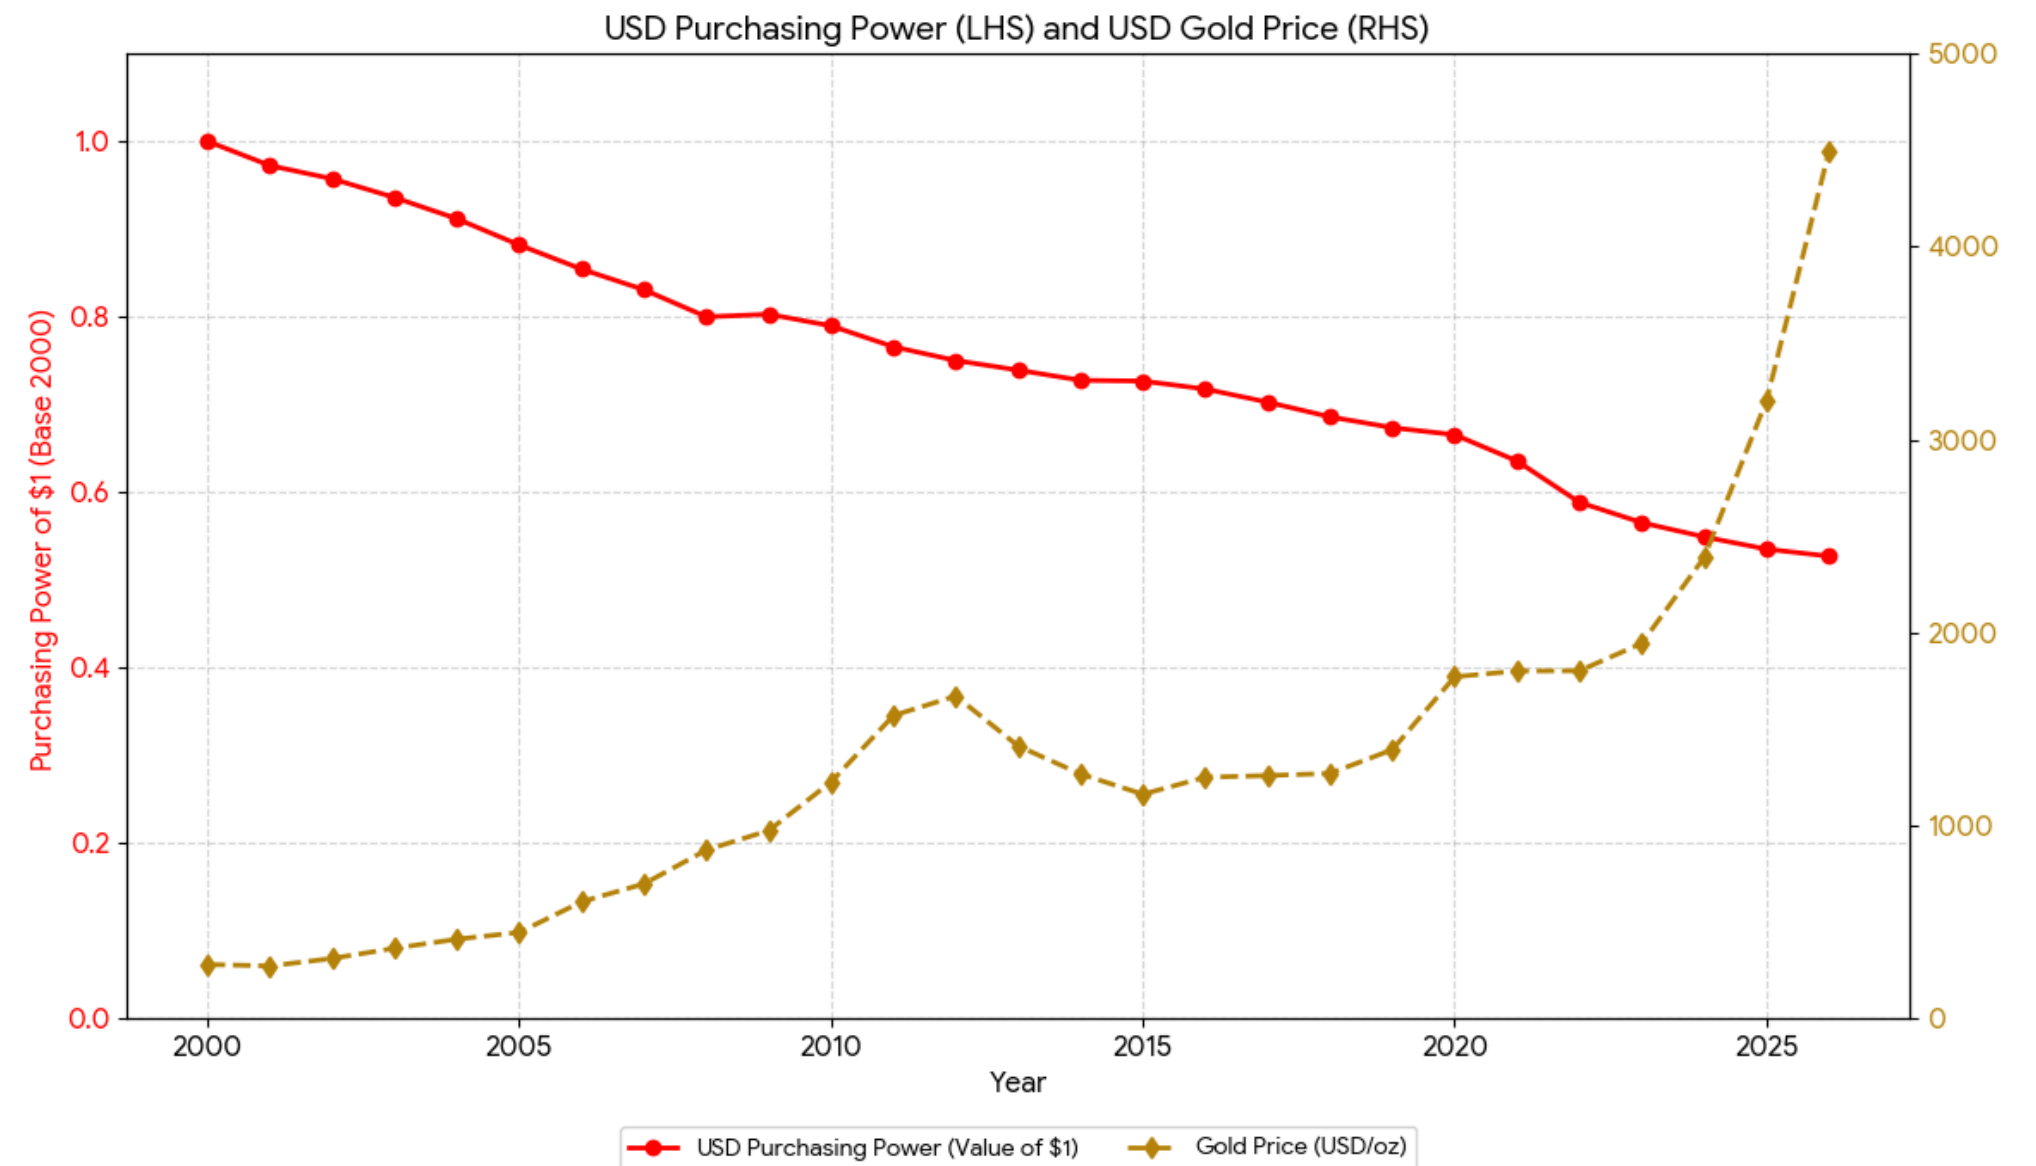

A FAILING, HARMFUL MONETARY SYSTEM

Fiat currencies continue to lose purchasing power

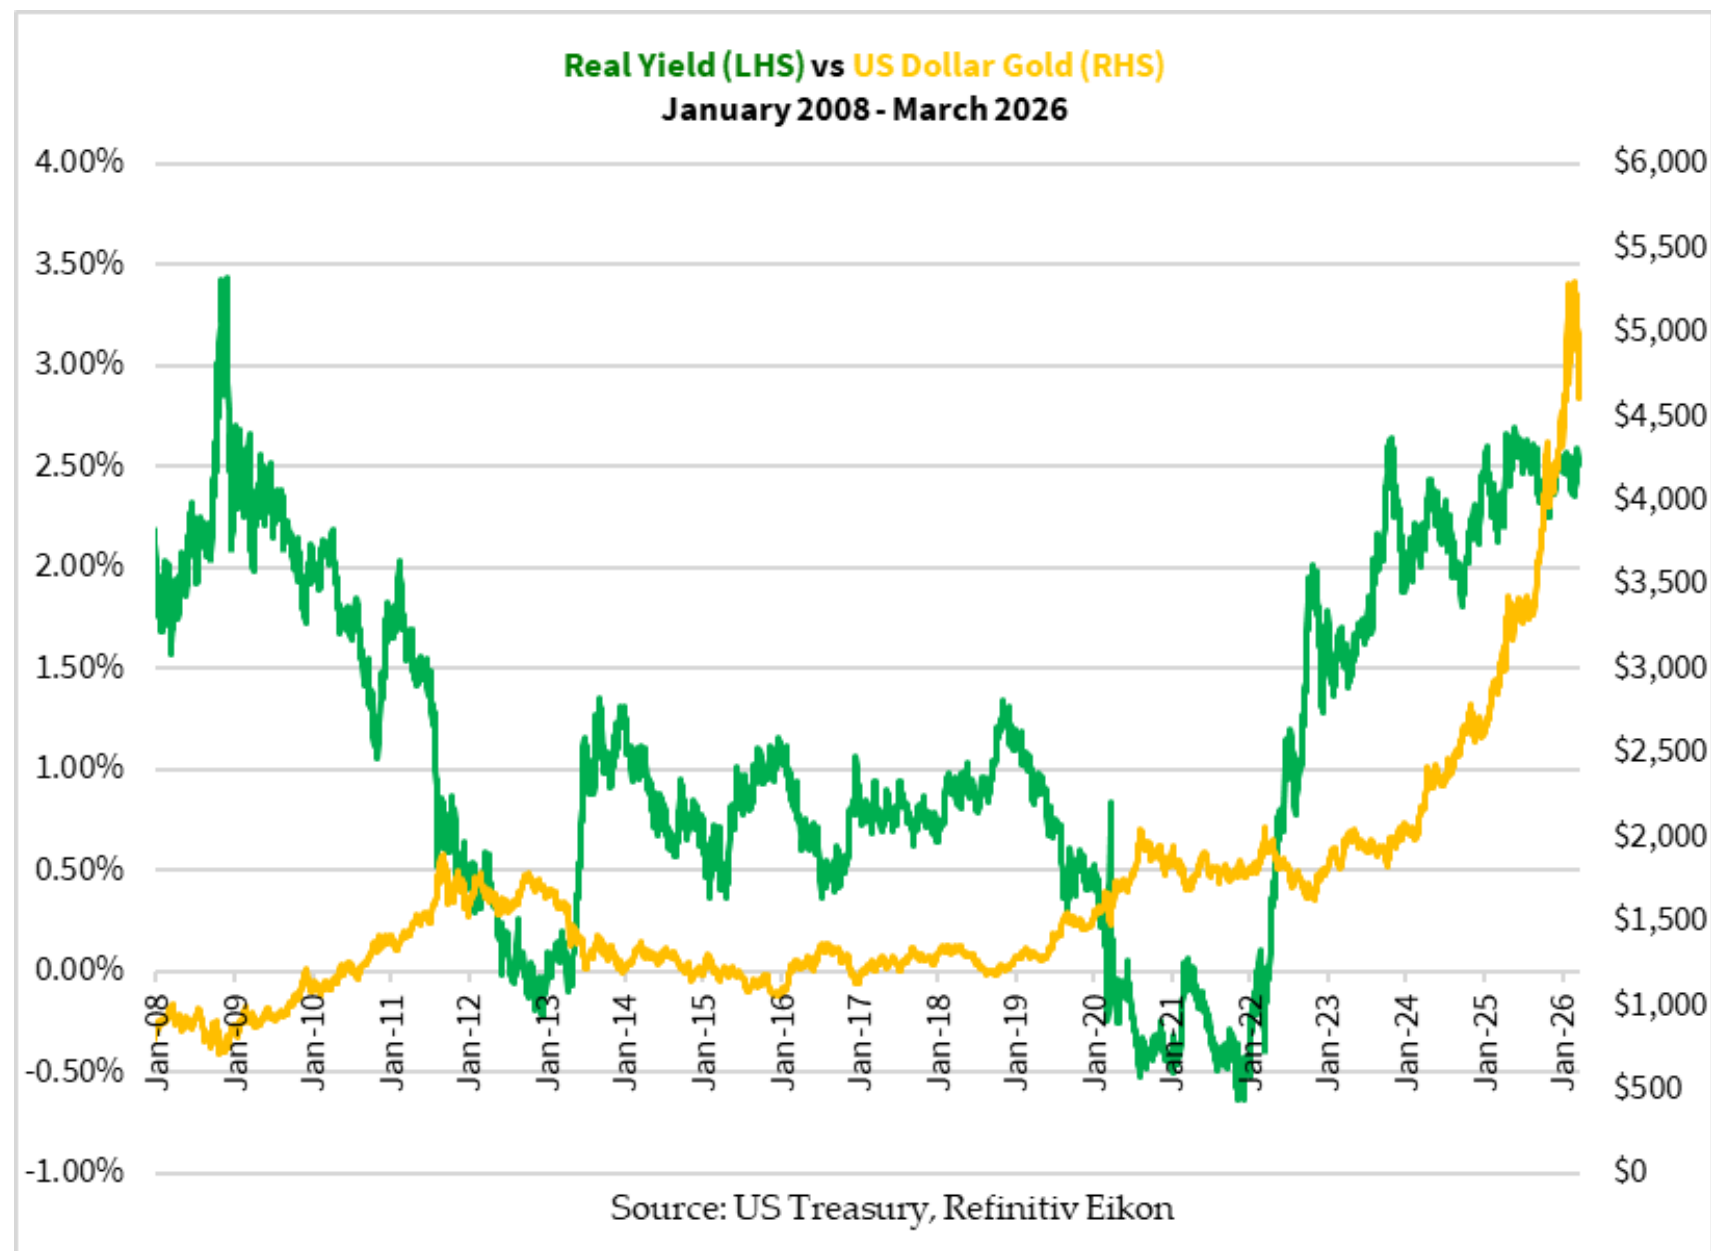

Inflation is structurally persistent

Real returns on traditional assets are under pressure

Wealth preservation is becoming as important as growth

REVIVING THE ORIGINAL MONEY

- Historically proven store of value
- Hedge against currency debasement
- No counterparty risk
- Increasing global demand (central banks, investors)

GOING BEYOND KNOWLEDGE HOW TO BUILD WEALTH

Which assets? (bullion vs ETFs vs miners)

ENTRY

When to enter and exit?

EXIT

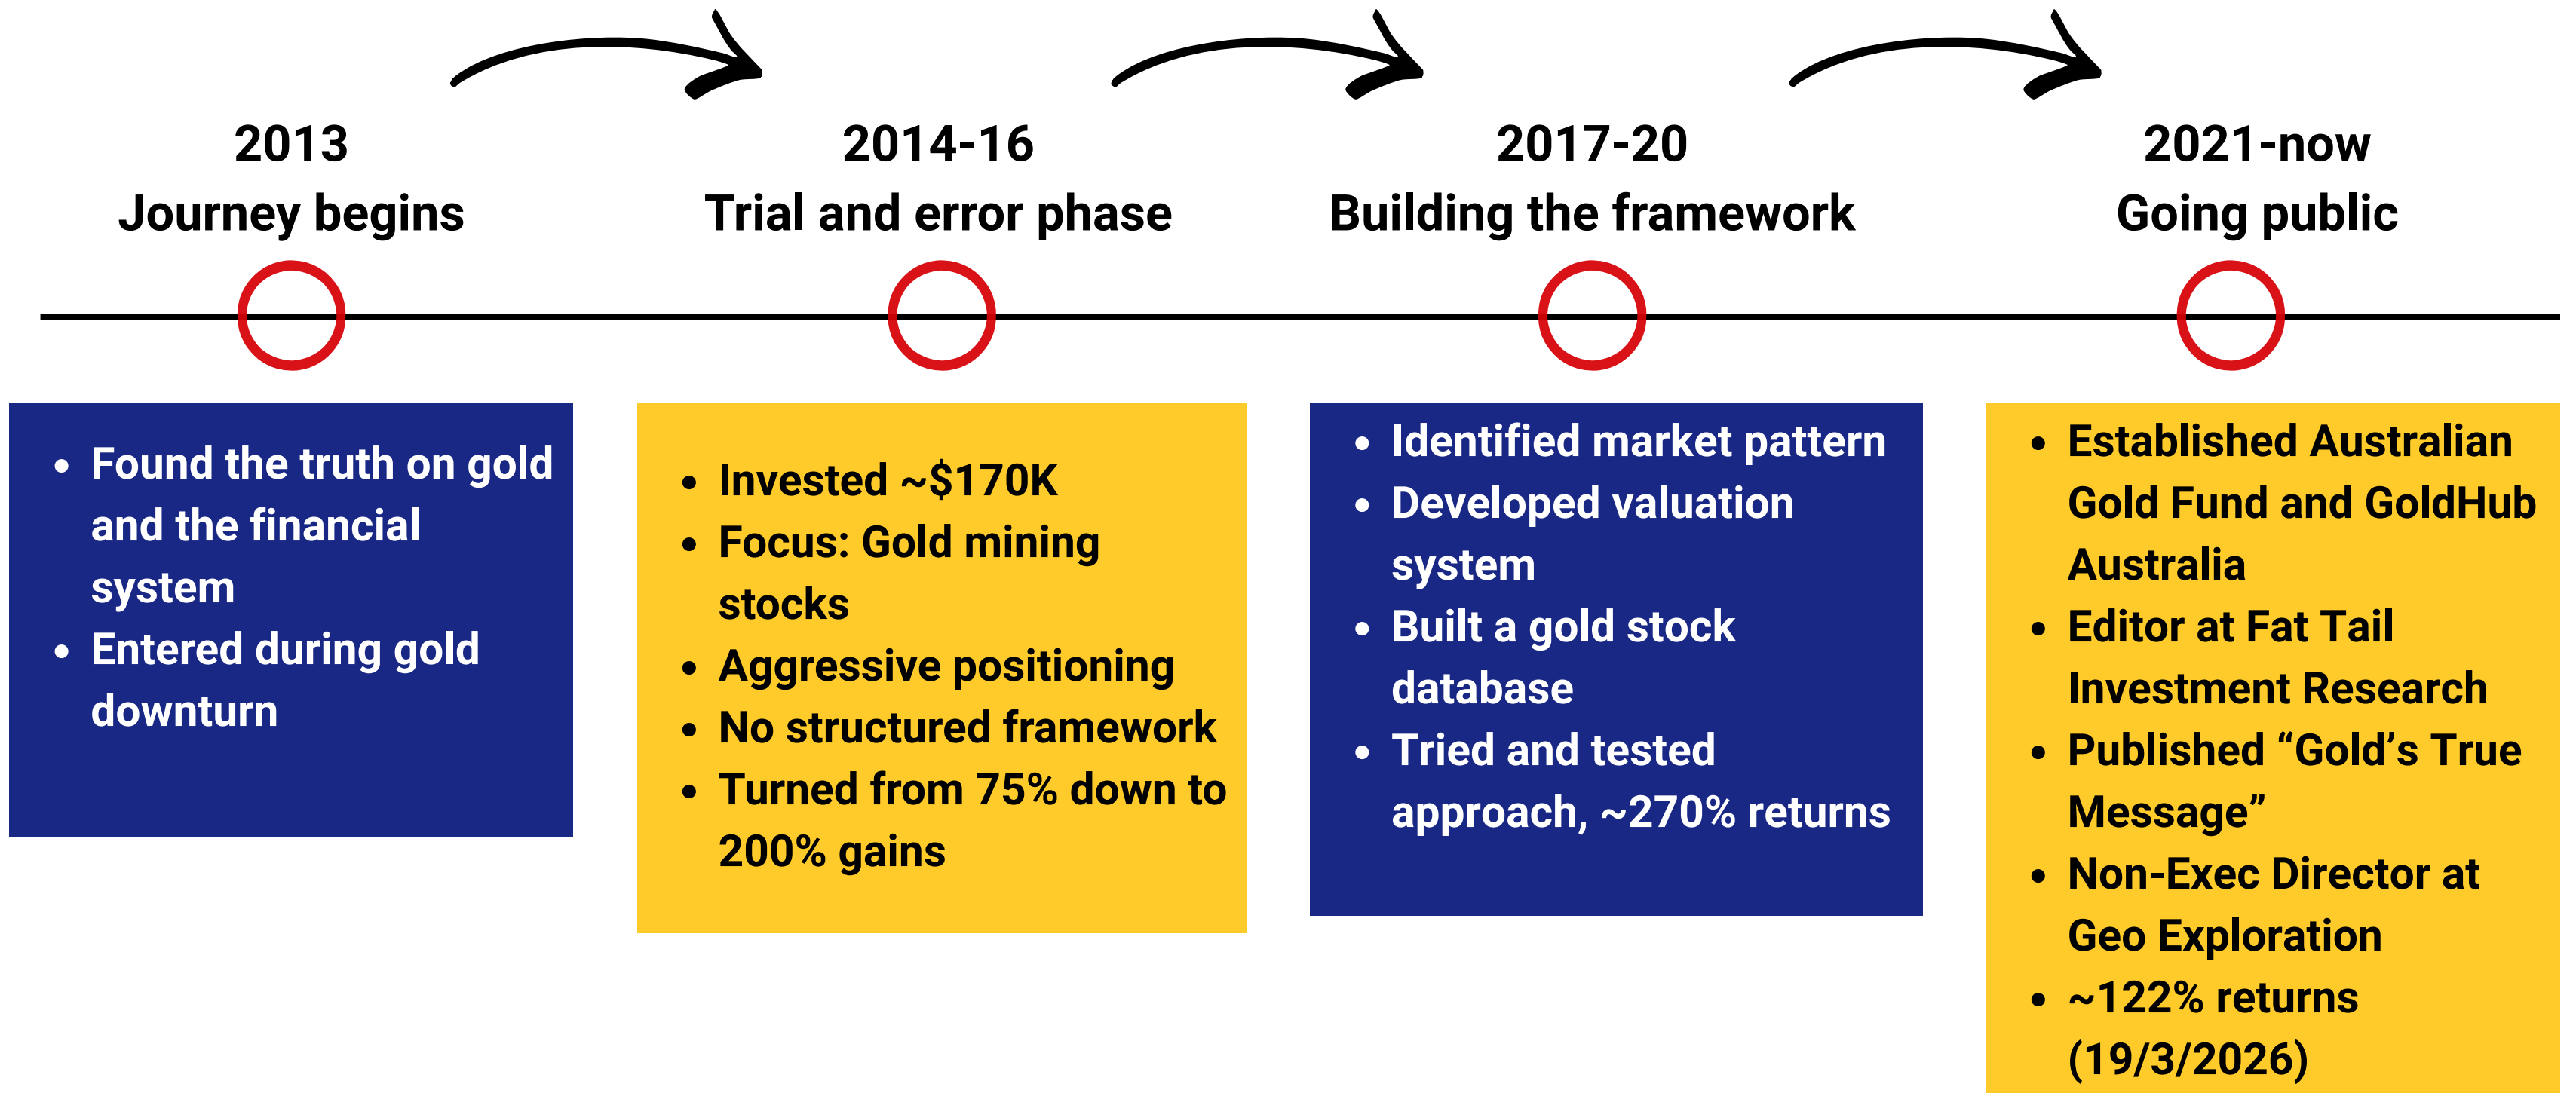

How to build a portfolio across cycles?

How to handle volatility and drawdowns?

A DECADE-LONG JOURNEY TO GROW

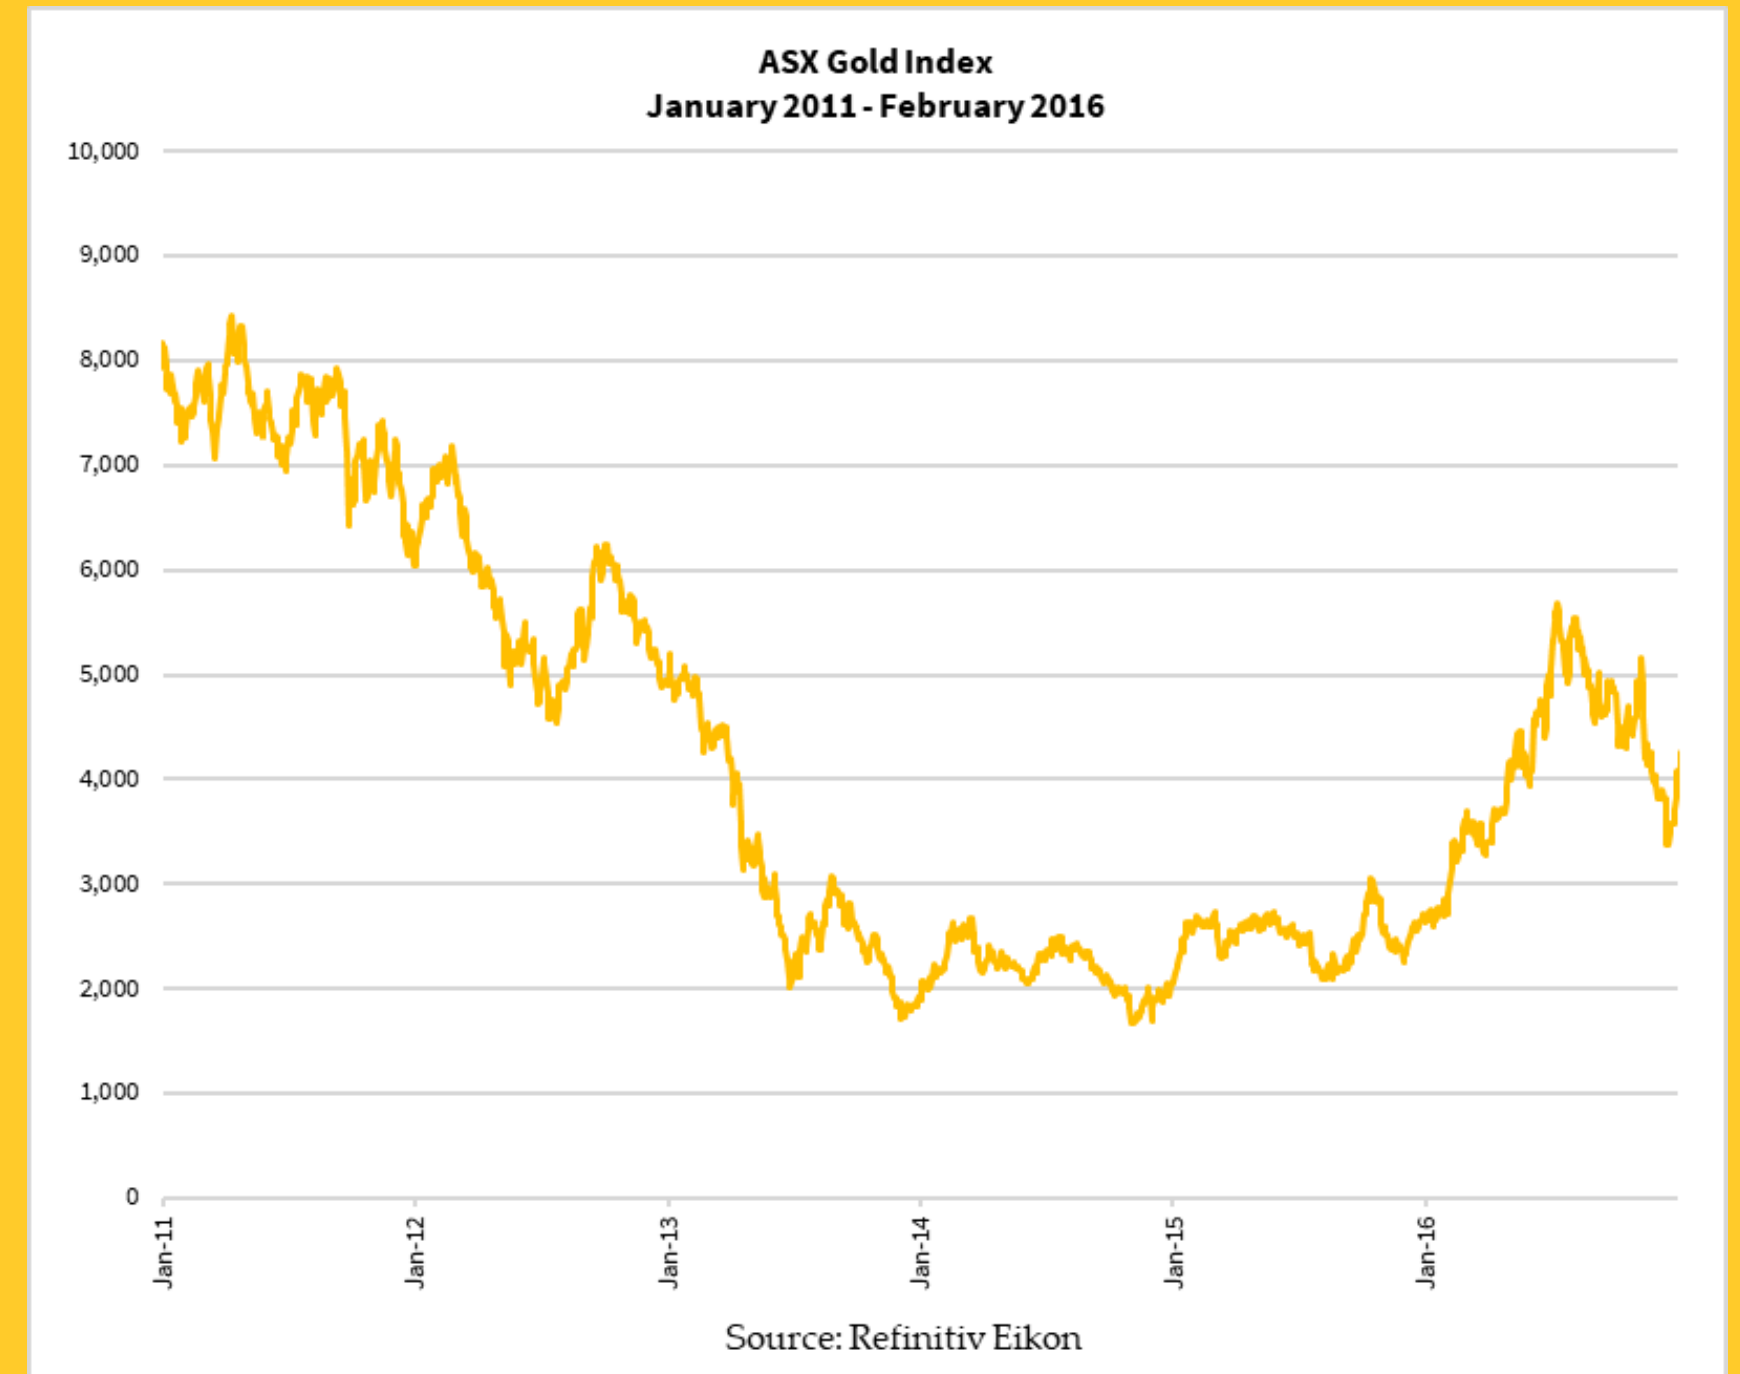

FROM ROCK BOTTOM TO BIG GAINS

- Gold fell sharply → miners fell even harder
- Portfolio drawdown: ~75%
- Psychological pressure: extreme
- Faced key investor decision:

HOLD?

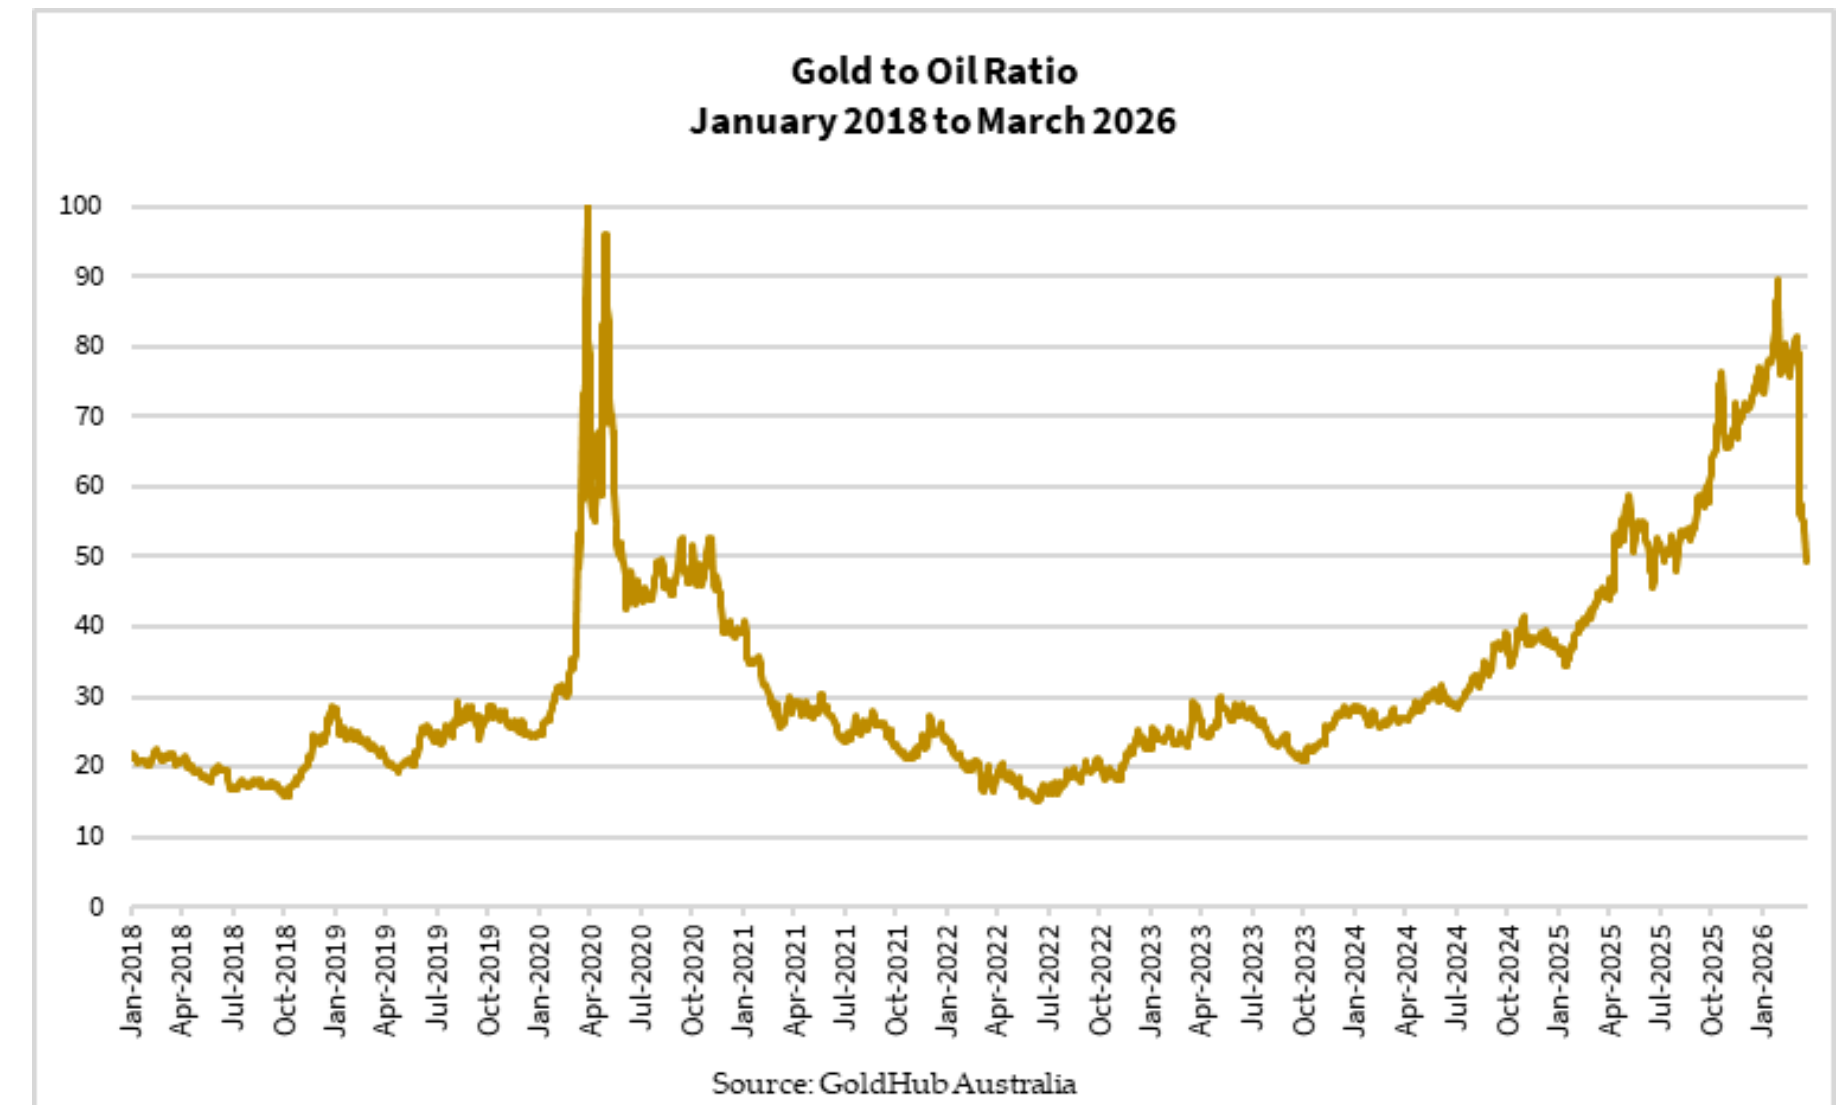

DOUBLE DOWN

EXIT

A UNIQUE ANALYTICAL SYSTEM

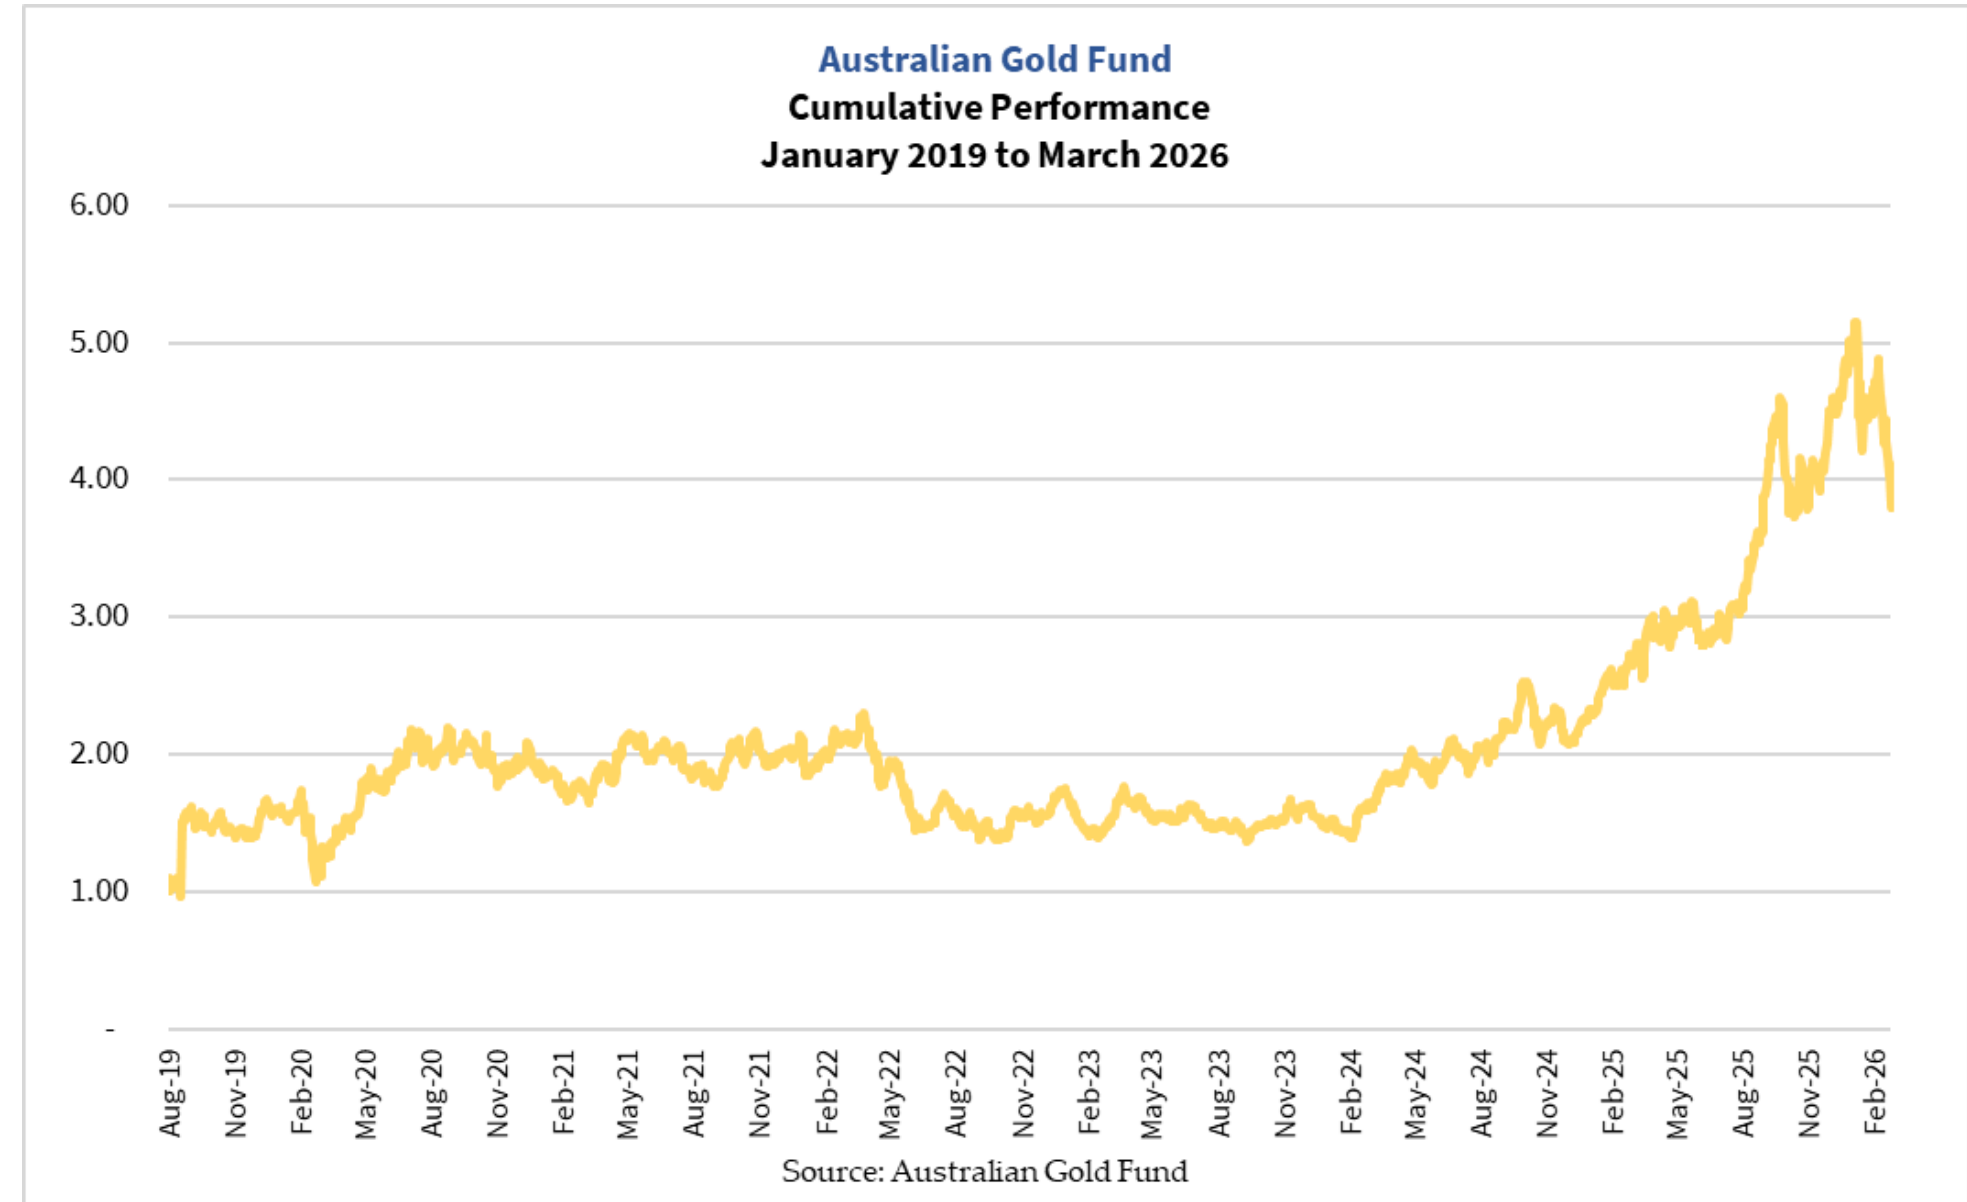

- Applied actuarial + finance + risk frameworks
- Focused on forward-looking valuation
- Created:
 - Valuation-to-profit multiple
 - Gold-to-oil relationship insight (cost vs revenue driver)
- Shifted from reacting → predicting

BUILDING MOMENTUM THROUGH A TURNAROUND

- 2015-2016 cycle turnaround
- Continued refining strategy across cycles

Today: ~\$170K → \$1.5M+

GOLD CAN CHANGE YOUR FINANCIAL FUTURE

Global macro conditions are shifting in favour of gold:

Persistent inflation

Rising geopolitical uncertainty

Central banks accumulating gold at record levels

Gold is transitioning from a defensive asset → strategic allocation

Where the real opportunity lies:
The biggest opportunities will not be in gold alone. But in well-selected mining equities
