A Vocational Camp That Changes Lives

Man of God, Man of Skills VOCATIONAL CAMP

WWW.RIDEPROSPEROUSLY.COM

RPM Ranch Leadership Character-Growth Camp is an outreach of Ride Prosperously Ministries.

Ride Prosperously Ministries is a non-profit organization and relies on donations and tuition to facilitate its day-to-day operations. Founded in 2023, the purpose of the ministry is to utilize the influence of animals, especially horses, to help young men find direction, identity, and hope in life.

RPM Ranch Summer Camps of 2025

There will be two, three-week blocks of camps and one one-week camp.

Each Three week block will consist of three one-week camps that will build upon one another and sync with one another. All three camps of each block are intertwined and will be best experienced by participating in all three.

We will fill three week block applicants first and then we will fill one week applications if there are any available openings.

Campers will be attending church services at Faith Baptist Church during the weeks of their stay at RPM Ranch.

Man of God, Man of Skills VOCATIONAL CAMP July 19-August 8, 2025

A focus on relevant vocational trades and servant-leadership introducing principles of horsemanship and animal husbandry.

This is rugged, faith-focused camp that introduces young men to both skilled trades and ranching, while teaching them to honor Christ in all their work. Through daily devotions, Bible lessons, and mentorship, this camp challenges participants to be men of character, integrity, and purpose in both their careers and their Christian walk.

Participants will learn foundational trades such as welding, carpentry, and small engine repair while also honing leadership skills working with horses. This unique camp not only equips young men with practical, marketable skills but also fosters personal growth, leadership, responsibility, and a strong work ethic.

Each day begins with prayer and a Bible lesson encouraging young men to connect their vocational experience to a creator God. Throughout each week, young men will hear exciting chapel speakers and experience life-changing moments of growth in their relationship with Christ, gaining a deeper understanding of how their work can glorify God. Whether working with tools or horses, campers will walk away with valuable experience and a new sense of confidence and direction for their future.

Our desire is to help young men find direction in life by exposing them to exciting skills and strengthening their walk with God.
