RPM Ranch Leadership Character-Growth Camp

is an outreach of Ride Prosperously Ministries.

Ride Prosperously Ministries is a non-profit organization and relies on donations and tuition to facilitate its day-to-day operations. Founded in 2023, the purpose of the ministry is to utilize the influence of animals, especially horses, to help young men find direction, identity, and hope in life.

RPM Ranch Summer Camps of 2025

There will be two, three-week blocks of camps and one one-week camp.

Each Three week block will consist of three one-week camps that will build upon one another and sync with one another. All three camps of each block are intertwined and will be best experienced by participating in all three.

We will fill three week block applicants first and then we will fill one week applications if there are any available openings.

Campers will be attending church services at Faith Baptist Church during the weeks of their stay at RPM Ranch.

Horseman's Craft Summer Camp

June 7-27, 2025

A focus on horsemanship and leadership while introducing trades associated with horses such as leatherwork and blacksmithing.

Our Horseman's Craft Summer Camp is a transformative summer experience designed to challenge young men physically, mentally, and spiritually. Set in the great outdoors, this camp combines hands-on horsemanship with Biblical teachings, fostering both personal growth and a deeper relationship with God.

At this camp, young men will learn the art of horsemanship—from foundational skills like grooming and leading to more advanced tasks of riding and being assigned a colt to start and train. Through these lessons, participants will not only build confidence and responsibility but also learn important life skills such as patience, perseverance, and leadership.

Each day begins with prayer and a Bible lesson, encouraging young men to connect their equestrian experiences to their growing faith. Chapel services are woven throughout the week, where campers explore key Biblical principles, discussing topics like courage, integrity, and the importance of service. Our team of experienced mentors and camp leaders are committed to guiding each camper in their journey of faith, offering support, encouragement, and Christian wisdom throughout the week.

This camp is not just about working with horses; it's about riding through life with strength, faith, and the courage to become the men God has called them to be.
