BAR.B.Q

Our Bar.B.Q dishes are all served with Fries, Bar.B.Q Beans and Slaw (excluding the whole Bar.B.Q Chicken). We smoke our meat fresh each day on a first come, first served basis. The meat is packed full of sweet smokey flavour & served warm, NOT hot. More often than not you may see a slight pink colouring to your chicken - this is perfectly safe and is from our smoking process.
