**Caterpillar Hill and Much, Much More - 20-Mile B Challenge Hike.** This is a 20-mile hike that will be done in two parts, elevation gain 2800 feet. The first ten miles will be from the Trailhead at Verrado to Caterpillar Hill and back. The second half will be a loop in Verrado/Skyline Regional Park on South of the Border, Lost Creek, Mountain Wash, Quartz Mine, Lost Creek and some side trails in Verrado to finish the second ten miles. Hikers may opt to do 10 or 20 miles. This is a very long hike! roundtrip is 30 miles.

Directions to Trailhead at Verrado West -- Head north on PebbleCreek Parkway to Indian School Road. Go west (left) on Indian School Road. Turn left on Acacia Way (just past the high school). Turn right on Lost Creek Drive. Parking for the trailhead is at the end of Lost Creek Drive. You walk between the green and a tee on the Raven at Verrado Golf Course to get to the trailhead.

**Caterpillar Hill with return via Deadman's Pass (Verrado). Rating A-** This is an 11–12-mile loop hike with an elevation gain of 2400 feet. The hike climbs Caterpillar Hill from the Lost Creek Drive parking lot. The trail follows the rough truck track to the crest of Caterpillar Hill. After exploring the area at the crest, we will return to the base of the hill and then bushwhack west, crossing into the north end of Deadman's Pass. We will follow or parallel the wash until meeting up with the Deadman's Pass formal trail. From this point we will loop through the Verrado trail system back to the car. Caterpillar Hill is a steep, steep climb on a very rough truck road. 2+ miles of bushwhacking. No restrooms at trailhead.

Directions to Trailhead at Verrado West -- Head north on PebbleCreek Parkway to Indian School Road. Go west (left) on Indian School Road. Turn left on Acacia Way (just past the high school). Turn right on Lost Creek Drive. Parking for the trailhead is at the end of Lost Creek Drive. You walk between the green and a tee on the Raven at Verrado Golf Course to get to the trailhead.

**Caterpillar Hill Loop (Verrado). Rating C Challenge, B.** This is an 8-to-10-mile lollipop loop hike with an elevation gain of 800-1900 feet. For the C Challenge version, the first 2 miles are fairly flat, rising only 100 feet. Then the hike goes up the 9% grade Caterpillar Hill (700 feet) over the next 1 3/4 miles. You then come back down the 11% grade road you see from PebbleCreek. Finally, you skirt the hill between the two trails and return on the 2-mile flat portion of the trail. For the B version, you would go to the top of the hill before coming down the 11% grade road. No facilities at the trailhead. No park fees. Driving distance is 18 miles RT.

Directions to Trailhead at Verrado West -- Head north on PebbleCreek Parkway to Indian School Road. Go west (left) on Indian School Road. Turn left on Acacia Way (just past the high school). Turn right on Lost Creek Drive. Parking for the trailhead is at the end of Lost Creek Drive. You walk between the green and a tee on the Raven at Verrado Golf Course to get to the trailhead.

**Javalina - Skyline Crest - SOB Loop (Verrado). Rating B.** This is approximately an 8 mile / 2000 feet loop in Verrado and Skyline Parks. Park at the Lost Creek parking lot and hike north on the Lost Creek trail. After approximately 1 mile at a four-way junction, turn left and follow the trail until it joins the Tortuga Trail. Turn right then right again onto the Javalina Summit Trail. Climb steeply to Javalina Summit then retrace your steps back to the Tortuga Trail. Turn right and follow the Tortuga Trail until it ends at the junction with Quartz Mine Trail. Turn left on the QM trail for .1 mile and turn right at the junction with the Skyline Crest Trail. Climb up to the saddle at which point turn left and climb to Crest Summit. Retrace steps downhill back to the saddle and this time walk straight over the Skyline Crest Trail until it ends at a junction with the Lost Creek Trail. At this point turn right and head downhill towards Verrado. After approximately .3 mile cut left following an old jeep road onto the SOB Trail. Once on the SOB, turn left and climb uphill to a saddle and proceed past this downhill ultimately ending at the petroglyph rock. After this follow existing trails through the Verrado Temporary Trail system back to the vehicles parked at the Lost Creek parking lot. No park fees. No restrooms at the trailhead. Driving distance is 18 miles roundtrip.

[Directions to Trailhead at Verrado Lost Creek Trailhead](#) -- Head north on PebbleCreek Parkway to Indian School Road. Go west (left) on Indian School Road. Turn left on Acacia Way (just past the high school). Turn right on Lost Creek Drive. Parking for the trailhead is at the end of Lost Creek Drive. You walk between the green and a tee on the Founders Course at Verrado Golf Course to get to the trailhead.

**Mountain Peak Trail (Verrado). Rating C, B. \*\*\* NO ACCESS AS OF 10-12-19 \*\*\*** This is an 8-9.2-mile hike with an elevation gain of 1000-1300 feet. It is 8.0 miles & 900 feet to the saddle and another 1.2 miles and 300 feet over two ridges to views of the Caterpillar Trail. The first 2.5 miles is flat through rolling desert and then the last 1.5 is fairly steady uphill to the saddle. You go past an eroded ravine and various rock formations to get to the saddle. The saddle provides views towards the east, including the other Verrado trails with PebbleCreek in the distance. The flat part of the trail itself is very wide. The uphill portion has more rocks and stones and has a couple of steep sections over loose rocks. The last 1.2 miles to the Caterpillar trail are a bushwhack through desert brush and rocks. No restrooms at the trailhead. No park fees. Driving distance is approximately 15 miles roundtrip.

[Directions to Trailhead at Verrado West](#) -- Head north on PebbleCreek Parkway to Indian School Road. Go west (left) on Indian School Road. Turn left on Acacia Way (just past the high school). Turn right on Lost Creek Drive. Parking for the trailhead is at the end of Lost Creek Drive. You walk between the green and a tee on the Raven at Verrado Golf Course to get to the trailhead.

**Old Intro Hike (Verrado). Rating D.** This is a loop hike of 3.6 miles and 400 feet elevation gain. Turn North on Caterpillar Road then take trail to the left at the end of a sidewalk. Trail climbs a rocky outcropping and continues thru a wash and along petroglyph ridge to the Petroglyphs Rock. Then climb to a saddle and proceed down a rocky trail to the 4-way junction with Lost Creek Road, turn left and return to the parking area. No facilities at the trailhead. No park fees. Driving distance is 18 miles roundtrip.

**Petroglyphs Loop Trail (Verrado). Rating D.** This is a 3.5-mile loop hike with a gradual elevation change of 300 feet. Turn left .1 miles past the trailhead sign. At about 1.5 miles you will see a large rock with petroglyphs. Just past the petroglyphs turn left and go up over the ridge. Follow the trail down to a 4-way intersection and turn left to return to the trailhead. Trail condition - A very good hiking surface. No facilities at the trailhead. No park fees. Driving distance is 18 miles roundtrip.

[Directions to Trailhead at Verrado West](#) -- Head north on PebbleCreek Parkway to Indian School Road. Go west (left) on Indian School Road. Turn left on Acacia Way (just past the high school).

Turn right on Lost Creek Drive. Parking for the trailhead is at the end of Lost Creek Drive. You walk between the green and a tee on the Raven at Verrado Golf Course to get to the trailhead.

**Petroglyphs ridge Loop (Verrado). Rating C.** This is a 5-mile loop hike with an elevation change of 600feet. Turn right .1 miles past the trailhead sign. You will come to a cement sidewalk on the left. Take the trail that leads left off the far end of the sidewalk. At any trail junction, go left. At about 1.5 miles you will dip into a wash and the trail turns left. 100 yards ahead you will see a large rock with petroglyphs. Turn right just this side of the petroglyphs and follow the trail up to and over a saddle. At a trail junction around mile 2 (the crossing trail goes left back to the cars or right up to a ridge), you have a choice. Either turn right and hike up to the ridge, take your break, and then return straight back down, going through the trail intersection. Or you can continue straight through the intersection through rolling desert, take your break, return to the intersection, and turn right to go back to the cars. ON the return to the cars, you will come to a large pile of boulders, but just to the left is a trail leading up around them. Once past the boulders, go to the right on the trail. This will lead you to the intersection with the trail you started on at the point you turned right. Simply turn right to return to the cars about .1 miles away. No facilities at the trailhead. No park fees. Driving distance is 18 miles roundtrip.

**Petroglyphs Waterfall Trail (Verrado) Rating C.** This is a 7.1-mile semi-loop hike with an elevation gain of about 700 feet. The hike starts on an unpaved road, then turns off at a cement sidewalk (in the middle of nowhere). It then follows a curving trail through the desert to a wash just before the petroglyphs. The trail then goes up the wash. You take the left fork to the base of a 30-foot dry waterfall where we will have our break. Trail condition - most of the trail is an average hiking trail, but the last .5 miles to the waterfall is a boulder hop. On the return we pass the petroglyphs before returning to the cars. No facilities at the trailhead. No park fees. Driving distance is 18 miles roundtrip.
