The hike climbs Caterpillar Hill from the Lost Creek Drive parking lot. The trail follows the rough truck track to the crest of Caterpillar Hill. After exploring the area at the crest we will return to the base of the hill and then bushwhack west, crossing into the north end of Deadman's Pass. We will follow or parallel the wash until meeting up with the Deadman's Pass formal trail. From this point we will loop through the Verrado trail system back to the car. Caterpillar Hill is a steep, steep climb on a very rough truck road. 2+ miles of bushwhacking. No restrooms at trailhead.

Mountain Peak Trail (Verrado). Rating C & B. * NO ACCESS AS OF 10-12-19 *****
This is an 8-9.2 mile hike with an elevation gain of 1000-1300 feet. It is 8.0 miles & 900 ft to the saddle and another 1.2 miles and 300 ft over two ridges to views of the Caterpillar trail. The first 2.5 miles is flat through rolling desert and then the last 1.5 is fairly steady uphill to the saddle. You go past an eroded ravine and various rock formations to get to the saddle. The saddle provides views towards the East, including the other Verrado trails with Pebble Creek in the distance. The flat part of the trail itself is very wide. Petroglyphs ridge Loop (Verrado). Rating C. This is a 5 mile loop hike with an elevation change of 600ft. Turn right .1 miles past the trailhead sign. You will come to a cement sidewalk on the left. Take the trail that leads left off the far end of the sidewalk. At any trail junction, go left. At about 1.5 miles you will dip into a wash and the trail turns left. 100 yards ahead you will see a large rock with petroglyphs. Turn right just this side of the petroglyphs and follow the trail up to and over a saddle. At a trail junction around mile 2 (the crossing trail goes left back to the cars or right up to a ridge), you have a choice. Either turn right and hike up to the ridge, take your break, and then return straight back down, going through the trail intersection. Or you can continue straight through the intersection through rolling desert, take your break, return to the intersection, and turn right to go back to the cars. ON the return to the cars, you will come to a large pile of boulders, but just to the left is a trail leading up around them. Once past the boulders, go to the right on the trail. This will lead you to the intersection with the trail you

started on at the point you turned right. Simply turn right to return to the cars about .1 miles away. No facilities at the trailhead. No park fee. Driving distance is 18 miles RT.
