

# Help Furnish Apartments for Women and Children!

**blessings abound**  
from neighbor to neighbor, thrift store

**Amethyst Place is a long-term supportive housing program for women and children. We just grew by 86% with the opening of our new Tracy Campus!** Because of this, we have the opportunity to bring 20 new families home to heal at our original Troost Campus between now and the end of August 2025. When a family moves into their new apartment, they receive everything they need to start their healing journey. When they move out into independent housing, they get to take everything with them.

We normally utilize donations of new and gently used furniture and household items to create these spaces. However, with the influx of 20 new families at once, our donations are depleted.

**Each apartment costs us about \$1,500 to furnish. We are partnering with Blessings Abound to secure quality and affordable furnishings to make this possible. A generous donor has pledged \$15,000 toward the total cost of \$30,000. Can you help us meet our goal?**

furnishings.**
