

RC

RAFID CHOUDHURY

GRADUATE ENGINEER

OBJECTIVE

Seeking to contribute to innovative and sustainable structural designs while growing as a structural and civil engineering specialist.

SKILLS

Civil Engineer with 3 years experience in structural design and analysis for residential and commercial projects. Skilled in using AutoCAD, Structural Toolkit, SpaceGass, and Australian Standards to deliver compliant, efficient, and cost-effective structural solutions. Excellent interpersonal, time management and problem-solving skills. A keen eye for detail and a strong desire to continue learning.

EXPERIENCE

GRADUATE ENGINEER • DEERY CONSULTING • JULY 2022 – PRESENT

Graduate Engineer responsible for the production of basic structural and civil engineering designs, computations, and CAD/BIM drawings. Assist senior engineers with more complex designs.

LAB TECHNICIAN • GROUND SCIENCE EAST PTY LTD • APRIL 2022 – JULY 2022

Conduct field tests, participate in analysis and preparation of reports
