

March 16, 2026

To: Christopher Bobek

Associate Superintendent and Freedom of Information Act Officer

Woodland School District 50

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), I am requesting the following public records related to items approved at the March 16, 2026 Board of Education Meeting:

REQUEST 1 — LETRS Phase II Platform (Agenda Item XI.B)

The full vendor contract and any supporting documentation for the LETRS Phase II Platform approved at a cost not to exceed \$314,920, including:

- a. Vendor name and parent company
- b. Full scope of services and deliverables
- c. Contract duration
- d. Any competitive bid or vendor evaluation process conducted prior to approval
- e. Any data or reports used to evaluate the platform's effectiveness prior to approval

REQUEST 2 — ELLevation Renewal (Agenda Item XI.F)

The full vendor contract and any supporting documentation for the ELLevation platform renewal approved at a cost not to exceed \$59,886.76, including:

- a. Vendor name and parent company
- b. Full scope of services
- c. Contract duration
- d. Any data or reporting used to evaluate platform effectiveness during prior use

REQUEST 3 — Student Outcome Data

Any district-held data showing student reading score trends for the period covering any prior use of either the LETRS or ELLevation platforms in Woodland School District 50.

If individual records are exempt from disclosure, please provide records in redacted or aggregate form where possible. Please provide all responsive records in electronic format within five business days as required by law.
