

DIGITAL PRODUCT LICENSE AGREEMENT

This file is licensed, not sold. By purchasing and/or downloading this file, you ("Licensee") agree to the following terms:

1. Grant of License [Sign Design Solutions ("Licensor") grants Licensee a non-exclusive, non-transferable, single-user license to use the purchased digital vector file(s) ("the Files") for unlimited internal production, editing, and fabrication purposes.

2. Permitted Use Licensee may:

- Import, edit, scale, and modify the Files for internal design and fabrication work
- Use the Files in unlimited commercial sign fabrication projects for Licensee's own clients
- Print, cut, or otherwise produce physical signage derived from the Files

3. Prohibited Use Licensee may NOT, under any circumstance:

- Resell, sublicense, rent, lease, or trade the Files, in original or modified form
- Share, distribute, or transfer the Files to any third party, including other individuals, companies, or contractors not employed by Licensee
- Upload the Files to any shared drive, marketplace, forum, file-sharing service, or public repository
- Claim authorship or ownership of the underlying designs
- Use the Files to create a competing product for resale as vector artwork

4. Single-User Restriction This license is issued to one (1) individual or business entity. Use across multiple companies, franchisees, or unaffiliated business units requires a separate license for each entity. Multi-seat or company-wide licensing is available upon request — contact [your email].

5. Ownership Licensor retains full ownership and copyright of all Files. This license grants usage rights only and does not transfer ownership, copyright, or intellectual property rights of any kind.

6. Termination Any violation of this license immediately terminates Licensee's rights to use the Files. Licensor reserves the right to pursue legal remedies for unauthorized use, distribution, or resale, including but not limited to damages and injunctive relief.

7. No Warranty Files are provided "as is" for design reference and fabrication use. Licensor is not liable for manufacturing defects, code compliance issues, or installation outcomes resulting from use of the Files.
