

Acutabovewoodworkings
Newfoundland Inspired Project #3
Wooden Inukshuk
<https://acutabovewoodworkings.com>

**All Inukshuk pieces will be cut from 1/2" thick stock.
Use a variety of species or different coloured stains
to give it more character. Cut 1 of each piece and
assemble according to assembly drawing on page 2**

Base. Cut 1 from 3/4" thick material
