## OLD BUSINESS

### NEW BUSINESS

Certificates of appreciation were handed out to some hams that did not make it out to the Christmas Party which included David K4FXC, Travis N4BEL, and Nina KN4KUL.

Winter Field Day is next weekend January 24<sup>th</sup> and 25<sup>th</sup> 2026. We discussed meals, setup, and timelines. We also discussed power and other site logistics to include a public greeter. The club will be three transmitters and Mobile. Since most of our stations will be in trailers, and according to the rules we would be considered mobile for this WFD. David K4FXC will setup WIFI along with the logging computers and the SSID will be CFARS and the password cfars2026. Winter field day was subsequently cancelled due to a major ice storm.

Rod asked the club for a budget of \$550 for the cost of Winter Field Day. Jeremy KB4D moved to approve the budget, Tracy AI4TS seconded, the club voted and the motion passed.

Chris KR4I will be holding an antenna building workshop tentative scheduled for sometime in April. There will be two types of antennas built, an End Fed Half Wave (EFHW) 80 meter to 10 meter and secondly a 40 to 10 meter. The cost will be approximately \$60 to \$70 for

the 40 to 10 and \$80 to \$90 for the 80 to 10. If you are interested please get with Chris or e-mail KR4I@arrl.net to get your name on the list.

David WD4NC announced that he will host the rookie round up and other POTA events. Get with him if you want to get involved.
