$99
ZOOM RECORDING

What you get

- One week 24x7 access to the two-hour workshop
- View in-depth reviews of the most important sections of your profile
- Proven coaching tips for job seekers that you can implement in your profile - after watching the recording or stop/go and update section by section.

- "I've made a ton of massive improvements already."
- "It provided details that I would never have thought of."
- "The Workshop was fantastic and well worth the price of admission!"

BEST FOR

Any LinkedIn member who wants to see others working through best practice for a major profile sections - and then can implement these tips in their own profile.

NO PROFILE REVIEW REQUIRED

This is a self-guided reference. You do not need to send Greg your resume, profile or job postings.

The full slide deck in .pdf format of all material covered in this workshop

WHY IT MATTERS

LinkedIn optimization is not only about what you write. Settings affect visibility, privacy, discoverability, communication and how you use the platform.

This playbook helps you make those choices intentionally.
