

Aspen Meadows Ranch Horse Camp

WELCOME

First and foremost we want to “welcome” you to our little piece of heaven here in the Black Hills of South Dakota!!! We have a small private campground here on our property that we live on year round, consisting of TEN - F/H (full hookup) sites, and a Cabin, each site has its own 2 stall barn and the cabin has 4 stalls. We also have a pasture turnout, each site gets a half an hour a day for horse turn outs. The riding is just out the back gate as our property borders the Black Hills National Forest. The landscape is full of large rock formations, beautiful Aspen groves, mountain meadows and of course Ponderosa Pines along with many old mine sites to explore!!

We require a current Health Certificate for all equine.

If you are going into another Brand Inspection state when leaving SD and you only have the temporary BI you will need to contact a Brand Inspector in that state to obtain one for there. The lifetime BI is recognized in other BI States.
