CIF Retreat 2017: Will be Aug. 11-13 at Mother Cabrini Shrine. The site visit is complete, lodging will be tight with multiple beds per room, no couples rooms, separate mens and womens floors, but it is a beautiful location. The flyer needs one more revision and will be posted. There will be mail-in and online registration. The planning committee will be meeting twice a month until August.

Public Outreach: Jim V. and Paul H. attended the health fair in Arvada.

CIF Retreat 2018: Mat A. is the chair and it will be the second weekend in August 2018. They are looking for a new venue, possibly YMCA of the Rockies.

Bylaws: Postponed until Danielle and Arun are back.

New Business:

1. Mat A. proposed doing a group inventory on the Intergroup to see where our higher power wants us to go. We would like group input. Voted and passed. Mat A. will bring a proposed plan/questionnaire next month.
2. Electronic White Book: Motion made to have CIF make a financial amends to Roy's family for past use of electronic White Book in Colorado, discussed and tabled. John I. will ask at the quarterly delegates meeting about doing an amends. John N. wants all groups to bring up changing formats to say no electronic White Books to be used during meetings in the next group conscience.
