

Meeting 5-8-2021 Intergroup

Attending: Bob J, Tim B, Doug B, Patrick M, Lundy, Lou W, Blaine H

Past Business:

- It was noted that the most recent minutes to be posted to the website were the February minutes. Secretary Jim G committed to get the minutes for the past three meetings to Doug B in the next few days, so that they could be posted to the website.

Financial report:

- Dustin wasn't present, but not many new items to report. Still in healthy financial shape

New Business:

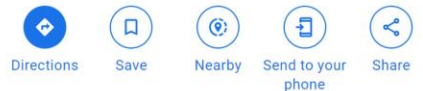

- 1) It was discovered that if you type "Colorado SA" into Google Maps, you get this:

Patrick M looked into what needed to be done so that this would not be what comes up in Google Maps when someone types Colorado SA. He discovered that taking over that business on Google Maps involves giving a gmail address and a postal address where a verification code can be sent. After some discussion, the motion was tabled, and Patrick will see if we might find someone or some group willing to offer their gmail address and if we might use the P.O. Box as the place for them to send the verification code, so that we can claim the business title and confirm that we're still in business.

- 2) Doug asks that we each update our meeting information on the SA website. If Zoom, please give a phone number or email address that someone might call to get the Zoom link.

It looks on the website like there are more in-person meetings at this moment than there actually are.

- Contact Doug at info@coloradosa.org to send him the updated information.

- 3) Tim mentioned that we will be responsible for the next in-person/hybrid Regional Meeting. Doug said that Scott is the Regional Rep and that the committee hasn't been formed yet.
- 4) Doug asked that if there are any other big upcoming events to please advise Doug, so that he can post it on the website.

Local Meeting Reports:

- Pueblo meeting has not taken off; Blaine decided to stop trying to host an in-person meeting. He has been attending the Zoom meetings offered by the Colorado Springs group.
- Colorado Springs gets 15-20 at Saturday meeting and 10 on Mondays, with 6-8 attending the Zoom meeting.
- Patrick reported that the Wheat Ridge meeting is in-person Wednesday, Friday (10-12 attend) and Saturday (15 attend); they also have an on-line option for those meetings.
- Lundy and Tim reported that the "No Half Measures" group are looking for a temporary alternative to Bethany for in-person meetings. Bethany won't be available for in-person meetings prior to Labor Day.
