

7-10-2021 Intergroup Minutes

Attending: Bob J, Andy A, Scott, Doug B, Patrick M, Lundy, Dustin, Jim G

I. Financial Report:

Dustin reported the following activity this past month:

- \$800 in Unity Conference monies have been collected
- \$32.06 expense
- \$2 fee
- The Wheat Ridge group has sent \$99 to Intergroup

Secretary Jim Goeke did not record the exact balance that Dustin reported on, but we still have a very healthy balance in our account.

Andy mentioned that with the new officers being chosen for the Highlands Ranch "Into Action" meeting, we should get back to bringing in some more regular monies to Intergroup.

II. Cabrini Unity Retreat

Andy is one of the main coordinators of this retreat, and he mentioned the following:

- The schedule is in place, and a number have volunteered to help with breakout groups and other needs, but more volunteers are needed.
- Rob and Roberta will be the keynote speakers.
- Auction items are still needed for the S-Anon Silent Auction.
- There were 51 signed up as of July 9, and the maximum is 85.
- Deadline for sign-up in advance is July 14.
- We were encouraged to promote the retreat at our meetings in the coming week.
- We discussed having people walk-up on Saturday as in years past, but it was noted that lunch would not be available for those who did not sign up in advance.
- We also discussed what might be contributing to the low turnout for this retreat.

III. Group Reports

It was suggested that we discuss two things in the group reports: (1) how promotion of the retreat is going in each group, and (2) the plan regarding Zoom meetings and in-person meetings.

- Parker – Zoom will continue through September – and even when in-person, they are committed to having an ongoing Zoom meeting.
- Highlands Ranch Into Action – Zoom continuing and In-person outside the church for now.
- Wheatridge – Full In-person and Zoom – about 50/50 choosing each.
- Glenwood Springs – have had 6-8 regularly in-person and 12 at a recent meeting; will be moving their meeting site soon and are not sure how that might impact attendance – don't think it will hurt much.
- Bethany – starting with in-person meetings at the church this coming Monday, and they have commitments from two people to regularly open the church on Friday and Saturday when the meeting will require someone to do that.
 - Lundy also shared that a group of members, mostly women, have decided to start their own branch of the group exclusively on Zoom which will meet every weekday at 6:30 and 8:00 on Saturday. They have chosen officers for that Zoom group.

- Broomfield – still doing a hybrid meeting, and have a new Intergroup Rep.
- Thornton – 6 to 10 are coming to in-person meeting. 0-2 are hybrid for any given meeting.

IV. New Business:

1. We discussed at some length how we might transition as Covid protocols lift and in-person meetings become the norm again. Might we combine some of the Zoom meetings? To be discussed further at future Intergroup meetings.
2. Pueblo and Colorado Springs website is dead – the fellow who set up the website has moved away and those seeking to connect there are running into a dead end. Some have come to meetings in the Denver metro area.

Andy has two contacts in that area, and Blaine is living in Pueblo. Andy indicated that he will look into trying to reach his contacts to address this, with Blaine being one prime candidate to address this.
