

Minutes for the Intergroup Meeting on Saturday, September 18 at 8:15 am

Attendees: Larry W, Tom W, Bob J, Doug B, Doug I, Danny C, Tim B, Mark S

Minutes from last month were approved

I. Financial Report:

- Dustin, the Intergroup Treasurer, was not present, so there was no financial report
- **Action Item (for Dustin)-** the Daily Reprieve meeting is still waiting to be reimbursed for literature that the Intergroup promised to help them cover due to their being a new meeting.

II. A few alerts regarding info on the website:

- Recordings from summer retreat are available on the website, at Coloradosa.org/audio (Doug B noted this.)
- Two full-time virtual meetings are now available, information is on the website

III. Group Reports:

- Daily Reprieve - numbers range between 2 and 12. Need to move within 60 days because facility is having to move
- Broomfield-Doing a hybrid meeting using the church's screens. They are averaging about 17, 6 of those in person.
- No Half Measures - numbers are low in person. Sometimes they have not had a meeting.
- Spiritual Awakening -(Zoom only) numbers are high, having visitors from out of state. Averaging in the 20's; they have someone doing leader training to support those wanting to lead the meeting.
- Wheatridge - group is split between zoom and in-person 12-15 in attendance.
- One Day (Thornton) Back in the church, but doing hybrid meetings; 6-8 usual attendance.
- Happy Destiny - awkward split between online & in-person, online option may be cancelled soon
- Parker - back in person since 9/1. 1-8 in person. Zoom group split off (Courage in Action) attendees from 4 states; still good attendance.

IV. New Business:

- a. Lots of discussion followed around virtual meetings and Covid concerns.

There are now 2 permanent virtual meetings; it was urged for those groups considering discontinuing their virtual meetings (if and when Covid wanes,) that they connect those wanting to continue on a virtual meeting to plug in to one of the permanent Zoom meetings.

Action Item: It was suggested that the GSR's from those groups get together and possibly each shift a half hour one way or the other to possibly cover more members.

- b. Regional meeting in October: Tom W, James, Chelsea and David B(?) attending in person. Tim B & Julie possibly virtual.
