

Minutes for the Intergroup Meeting on Saturday, October 9, 2021 at 8:15 am

Attendees: Tom W, Bob J, Doug B, Andy A, Jim G, Scott, Lundy, Dustin, Tim B

Minutes from last month were approved

I. Financial Report:

- Dustin gave a thorough financial report, reporting in detail on the monies related to the Unity Conference at Cabrini in August.
 - The checking balance is approximately \$9,000
 - There is a balance of \$2,390 from the Cabrini conference
 - Dustin will identify how much of that balance will go to S-Anon.
- Dustin is paying for 6 more months of rental of the P.O. Box.
- As requested and promised, Dustin will reimburse Josh, the treasurer for the Daily Reprieve meeting, for the literature purchased.
- Dustin asked us to inform our treasurers and others who make contributions using PayPal that If you click the box that says “friend to friend”, we won’t pay a fee. And please put in the notes who it is coming from.

II. Website:

- Doug spoke about the two virtual meetings. They appear on the Colorado meetings page.
- One of the meetings is hybrid. The information exists on the web page itself; and it also exists on an Outlook calendar. If there is any change, Doug B needs to be alerted, so that he can make the change in both places. Doug will only make changes if he hears from the Wheat Ridge rep directly.
- Doug needs an updated lists of the contacts.

III. Group Reports:

- Tom W - Daily Reprieve - have only met twice since last Intergroup. Our numbers are low - we’re happy if we get 6 at the meeting. The facility we’ve been meeting is moving; the new facility is moving to a church in the DU area. Most don’t want to go that far north. They’ll be having a group conscience to decide where to have a new site.
- Into Action - back in the church; attendance is good; getting treasurer up to speed. We’ll be able to start making contributions to Intergroup soon.
- Thornton - good attendance - 4 people dial in (two from Pueblo and Burlington)
- Lundy - No Half Measures - 3 to 6 coming per meeting; not currently able to donate to Intergroup due to low numbers; Church has asked that we not have meetings on major holidays.
- Scott - WheatRidge in person meetings are strong. 3 per week
- Doug - 6-1 at Zoom meeting 4 times a week

- Tim - A Spiritual Awakening - virtual meeting - 6 am M-F - weekend starts later.
 - Averaging 23 per meeting.
 - Special Group Conscience this Friday to discuss how we are listed on the website. Especially related to whether the link and passcode are listed on the website.
 - Some are calling in from other states and even other countries
 - Elected a new meeting chair person named David.
- Parker (No More Excuses) - Meeting 5 days a week back in the church since 9/1. Have anywhere from 1-6. Virtual meeting (Courage in Action) is averaging 6-7.
- New group in Castle Rock meeting Tuesday Mornings - from 2-4 in attendance.

IV. **New business:**

- **Virtual Intergroup meetings** - A motion to keep doing this virtually was proposed and accepted. **Action Item:** Andy will check to see if we can do a Hybrid meeting from St. Andrews.
- **Intergroup elections coming in December:** Elections for new officers. Contact Bob if you're planning to resign or are interested in taking on a new position. Tim is currently the vice-chair ready to replace Bob, our current chair.
- **Regional Meeting in Wichita** – in-person registration closed on 10/7 - 50 have signed up.
 - Dustin, Patrick, James M, Jerry V and Chelsie are the speakers (all are from Colorado)
 - Registration for virtual is open until 10/21 - only 10 so far - the only thing being broadcast will be the 5 speakers; not the breakouts.
 - Need leaders for the breakouts and for the morning meditation sessions. (There is a sign-up genius for those who are registered to utilize.)
 - In the past we've given stipends to the speakers. Scott made a motion that we stipend the speakers \$150 each. He mentioned that there should be plenty of money from the registrations to cover these stipends. (Tim seconded the motion and it carried.)
 - Scott will send more info to those who are registered about the practical details.
