

The Twelve Steps of SA

1. We admitted that we were powerless over lust - that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood him.
4. Made a searching and moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong, promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these Steps, we tried to carry this message to sexaholics, and to practice these principles in all our affairs.

Mother Cabrini Shrine is a shrine in honor of the Sacred Heart of Jesus and St. Frances Xavier Cabrini. Originally a summer camp for the girls from the Queen of Heaven Orphanage, the property became a place of prayer, pilgrimage and devotion after the canonization of St. Cabrini in 1946. The Shrine offers retreat facilities, daily mass and is open every day for visitors and pilgrims to come and pray, explore and visit.

In 1912, Mother Cabrini established the vision of the Shrine's property to be a place of quiet refuge - at the time, it was a summer home for the girls from Queen of Heaven Orphanage. Through the years and through the generosity of our benefactors, Mother Cabrini Shrine continues to provide a place of retreat and recollection.
